The Trustee's Handbook 2020-12-11

Put simply, there is no text about public librarianship more rigorous or comprehensive than McCook’s survey. Now the Reforma Lifetime Achievement Award-winning author has teamed up with noted public library scholar and advocate Bossaller to update and expand her work to incorporate the field’s renewed emphasis on outcomes and transformation. This essential tool, Library Journal, remains the definitive handbook on this branch of the profession. It covers every aspect of the public library from its earliest history through its current incarnation. On the cutting edge of the information environment, including statistics, standards, planning, evaluations, and results, legal issues, funding, and politics, organization, administration, and staffing. All aspects of library technology, from infrastructure to websites and makerspaces, adult services, youth services, and children's services. Associations, state library agencies, and other professional organizations. Global perspectives on public libraries, advocacy, outreach, and human rights. Exhaustively researched and expansive in its scope, this benchmark text continues to serve both LIS students and working professionals.

This scarce antiquarian book is a facsimile reprint of the original due to its age. It may contain imperfections such as marks notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of...

**Introduction to Public Librarianship, Third Edition 2008**

This hornbook provides an overview of the operations and the interrelationships of the various levels of government in the United States, with emphasis on local units. The text first discusses local government units and examines the forms of government within these units. The relationship of local governments to state and federal governments is inspected. Additional coverage includes local units and their power, the limitations on those powers, the forms local legislative action may take, and the means for holding local governments liable.
