Pastor Chris Oyakhilome: The Believers' Authority

A few of us have barely gotten to the edge of that authority, but before Jesus comes again, there's going to be a whole company of believers who will rise up with the authority that is theirs and they will do the work that God intended. They should do whether you are teaching a Sunday school class, leading a small group, discipling an individual, or studying on your own. This study guide is designed for you. Each lesson consists of the lesson text, outline, teacher's guide, discipleship questions, answer key, and scriptures. As a bonus, you can download PDFs of the outlines, discipleship questions, and scriptures for each lesson in this study guide.

Popular television host and minister Andrew Wommack shares sixteen of his best teachings in this powerful new book. Teachings include sections from his most popular titles: Better Way to Pray, God Wants You Well, The War Is Over, Believer's Authority, Spirit, Soul, Body: You've Already Got It, The True Nature of God, Baptism is One of the Most Important Practices in the Church, Something That Jesus Calls His Followers to Do. It reminds us of Jesus' death and resurrection and the new life we have in Him. Enjoy having an easy-to-understand overview on what the Bible says about baptism at your fingertips. Packed with simple summaries, this Baptism Pamphlet covers what baptism is, why we should be baptized, and more perfect for individual use, group Bible studies, a new believers class, baptism gift, or baptism class. Features explain believer's baptism and the symbolism of immersion, gives 5 reasons to be baptized, explains what happens during baptism, and how to know if someone is ready to be baptized, explains what it means to be baptized in Jesus' name, shows what the Bible says about baptism, surprisingly supernatural, a practical guide to releasing the gifts of the spirit, teaches believers to receive the gifts of the spirit and then how to release the spiritual gifts of prophecy, healings, and miracles, discernment and binding or driving out demons, then the believers are encouraged to bring in the harvest when believers learn how to release the gifts of the spirit that is what the bride of Christ is to do at the end of the age and then she will enter into the wedding banquet (see Matt 24:14, 25:9, 10). You will learn that you are supposed to ask for the Holy Spirit and ask for the gifts of the spirit, and being continually filled by the Spirit was what the first disciples experienced and they were the first ones called Christians. Then, if you will learn the conditions required for you to hear God's voice, then you will be able to prophecy, if you will learn the keys to healing, then you will begin to see the sick healed when you lay your hands on them. When you ask for the gift of discernment, then you will begin to discern demons and the defilement that is around you. Then you can cast out those demons that leylines are spiritual highways that demons travel on over the earth and you will learn how to clean them off that when you release the gifts of the spirit you will easily be able to show nonbelievers that Jesus Christ is the Son of God and is the Savior of the World. The bride of Christ is to be continually filled by the spirit until she is clothed in the armor of light and clothed in Jesus Christ, then she will bring glory to the Lord (see Rom 13:12, 14). While Evangelicals make up a significant portion of American society, they still constitute a mystery for many. They exert considerable influence on virtually every aspect of American life and culture yet by those who don't appreciate them, they are seen as rednecks, crypto-fundamentalists, and people without education. Wilkens and Thorsen contend that Evangelicals are tired of being caricatured and provide an insider's look at myths and realities surrounding the movement they winsomely and sometimes humorously assess the breadth and depth of evangelical beliefs, values, and practices. Arguing that Evangelicalism is identifiable by a family resemblance, vitality, and relevance that transcends particular theological and political stereotypes, the book provides a synthetic presentation of contemporary evangelical Christianity as well as critiques of it. Jesus introduced the idea of servant leadership and showed us how to do it. God requires leaders in his kingdom to lead in this way so that every one of his children can have his or her true needs met. This is true on earth, but a shortage of servant leadership works against the total fulfillment of his loving design for mankind. This will be
fulfilled far better in the great eternity that he provides his children he works to prepare his children now for our life in eternity by teaching our hearts to love lead and relate to each other like he does the bible shows god’s calling for servant leadership in his church and in the family we can also see its application to local and national governments wherever the gospel has impacted these governments enough to change them from their natural way to do things this book shows how the bible clearly shows all of the above conclusions everyone views life through a filter the bible calls that ordination richard burridge offers rich reflections on the four gospel portraits of jesus and shows how they
not only inform the calling to ordained ministry but also help sustain the practice of christian ministry in its
various dimensions four ministries one jesus is for all who feel called to a life of christian ministry and want
to ground their calling in the teaching and example of Jesus as provided in the four gospels. Burridge helps readers consider vital questions such as how to sustain reading Bible study and theological reflection in ministry, how to extend pastoral care to people outside as well as inside the Christian community, how to care for self and family, and how to stay attuned to the spirit by cultivating a fresh and vigorous life of prayer. This work offers a timely philosophical analysis of interrelated normative questions concerning immigration and citizenship in relation to the global context of multiple nation states. It addresses both fundamental questions in moral and political philosophy as well as specific issues concerning policy topics. Several humanitarian crises involving human migration across national boundaries stemming from war, economic devastations, gang violence, and violence in ethnic or religious conflicts have unfolded. Political debates concerning immigration and immigrant communities are continuing in many countries, especially during election years. While there have always been migrating human beings, they raise distinctive issues in the modern era because of the political context under which the migrations take place. This collection provides readers the opportunity to parse these complex issues with the help of diverse philosophical, moral, and political perspectives. Democracy denied exposes the Obama administration’s agenda that disregards the American people, Congress, and the U.S. Constitution and offers a plan of action to stop it. It examines the socio-cultural history of the regions where Islam took hold between the 7th and 16th centuries. This two-volume work contains 700 alphabetically arranged entries and provides a portrait of Islamic civilization, useful for understanding the roots of Islamic society as well as an introduction to all the major research approaches to religious language from a variety of linguistic perspectives. Has the Messiah been robbed? Supernatural visitations? Divine time travel? An age-old cover-up? In the middle of it all, one man miraculously transformed by Yeshua in an instant. David went from being a skeptical Jewish columnist to a desperate seeker of truth. The catalyst was an angelic visitation—marking him forever. David’s quest spans numerous philosophies and religions, culminating with the person of Yeshua Jesus—the Messiah. He is plummeted into a vigorous spiritual tug of war. Part of him is intrigued and fascinated by the Messiah, while another is plagued by guilt. How could a Jewish person like himself believe in Yeshua, considering all the horrific acts that have been done to his ancestors in his name? Ron Cantor, a gifted storyteller and authority on the Jewish roots of the New Testament, takes you on an unforgettable tour of history as an angel supernaturally escorts David through the halls of time. You will soon discover that though atrocities have been committed in the name of Yeshua, the greatest crime of all may be against the Messiah himself—a crime of identity theft.

Combining the skills of a leading biblical scholar with the wisdom derived from years spent training candidates for ordination, Richard Burridge offers rich reflections on the four gospel portraits of Jesus and shows how they not only inform the calling to ordained ministry but also help sustain the practice of Christian ministry in its various dimensions. Four ministries one Jesus is for all who feel called to a life of Christian ministry and want to ground their calling in the teaching and example of Jesus as provided in the four gospels. Burridge helps readers consider vital questions such as how to sustain reading, Bible study, and theological reflection in ministry how to extend pastoral care to people outside as well as inside the Christian community how to care for self and family and how to stay attuned to the spirit by cultivating a fresh and vigorous life of prayer.
