Packed with good advice from running costs, paperwork, vital statistics, valuation, and the Porsche community right through to whether your Porsche will fit in your garage and indeed with your lifestyle, this is the complete guide to choosing, assessing, and buying the Porsche 986 Boxster of your dreams.

The definitive history of the entire Porsche 986 series Boxster, including an overview of all the models sold in each of the world’s major markets. Packed full of information with contemporary illustrations sourced from the factory, this book provides the perfect guide for enthusiasts, historians, and those seeking authenticity. Since its introduction in 1997, the Porsche Boxster has earned a reputation as one of the world’s greatest sports cars as well as a huge loyal following of devoted drivers. This book is aimed at those owners of Boxsters who want to improve their machines while avoiding thousands of dollars in mechanic’s costs.

Clearly and simply written with straightforward illustrations, this manual offers 101 projects to help you modify, maintain, and enhance your Porsche, focusing on the 986 and 987 Boxster models. 101 projects for your Porsche Boxster presents all the necessary information, associated costs, and pitfalls to avoid when performing a wide array of projects. In a word, it makes owning a Porsche Boxster an unqualified thrill.

Porsche Boxster and Cayman follows the design and development of this mid-engined sports car and coupe family from their origins in the company’s concerted racing activities in the 1950s and 1960s to the drawing board launch and systematic evolution through successive model ranges from 1996 to 2016. There are detailed profiles and evaluation of all Boxster and Cayman derivatives, including 986, 987, 981, and 718 specifications of the various models. The entry level S, GTS, and GT4, the special limited editions such as the 550 Spyder, 40th Anniversary Models, and more are included. The book covers some of the author’s international driving experiences at the wheel of Boxster and Cayman, including the Bilster Berg race circuit and tour auto. There is also an intriguing interview with successful racer Rebecca Jackson, who describes the techniques of Boxster racing and demonstrates the versatility of this best handling of all Porsche sports cars.

This book is of great interest to all motoring enthusiasts and historians and is illustrated with 400 colour photographs, many specially commissioned. See every Porsche 911 variation, including the Turbos, GT cars, and the limited production specials which collectively forged the 911 legend.
