**A Critical Introduction to Law** 2015-06-26 challenging the usual introductions to the study of law a critical introduction to law argues that law is inherently political and reflects the interests of the few even while presenting itself as neutral this fully revised and updated fourth edition provides contemporary examples to demonstrate the relevance of these arguments in the twenty first century the book includes an analysis of the common sense of law the use of anthropological examples to gain external perspectives
of our use and understanding of law a consideration of central legal concepts such as order rules property dispute resolution legitimation and the rule of law an examination of the role of law in women's subordination and finally a critique of the effect of our understanding of law upon the wider world clearly written and admirably suited to provoking discussions on the role of law in our contemporary world this book is ideal for undergraduate and postgraduate students reading law and will be of interest to those studying legal systems and skills courses jurisprudence courses and law and society

**Implementation of Law in the People's Republic of China**

2021-08-04 china after some twenty years of reform is no longer a country without law indeed one may legitimately complain that there are too many laws that are changing too rapidly however law acquires no life nor performs its intended social functions without proper implementation and enforcement here few people chinese or foreign are content with the general situation of implementation of law in china the problems and difficulties in implementing and enforcing laws and regulations are reported and discussed in the various forums of the chinese media almost on a daily basis and often reported in western media also academics in china are filling the pages of various legal journals with their diagnoses and analyses of the causes of and solutions to the lack of proper implementation of law and legal regulations and policy measures are being issued to deal with these problems and to overcome the difficulties the future of the rule of law in china as we are so often reminded by scholars of chinese politics and law largely depends on the proper implementation and enforcement of law this is a book about law in action in china that is it focuses on the administration of the law as a process through which law in the books is put into action and hence is made to perform its intended social functions it deals with the process the institutional settings the players and the political economic social and cultural settings the factors involved in the administration of law in china throughout
the book we will see a variety of problems and difficulties involved in implementing and enforcing laws and regulations that are identified and analyzed by the contributors we will also see analyses on legal regulations and policy measures that have been issued to rectify the many identified problems to raise the standard of actual implementation of law and to improve the functioning of the various law implementing enforcing authorities additionally the book provides various case studies on implementation of law in china the present book we believe is among the first collective efforts at a systematic and comprehensive study of the implementation of law in china and we hope that it will stimulate many more such studies studies on the actual operation and impact of law on society and on individuals

**Law in Literature** 2017-12 law in literature an annotated bibliography of law related works is a collection of two hundred and fifty annotations of law related novellas novels and plays written by scholars with an interest in the field this annotated bibliography is intended as a companion piece to law in literature legal themes in american stories 1842 1917 law in literature legal themes in drama and law in literature legal themes in novellas unlike the other three books in this series law in literature an annotated bibliography of law related works is not useful as a textbook for a law in literature course in an academic setting it is useful to professors seeking to assign works for reading by the students students who are interested in the topic might want to obtain the book as a reference tool to discover works for further reading also the book is intended to reach an audience of those engaged in the legal system and to anyone interested in exploring the rich stories annotated in this volume

**Juristic Science and Law** 1918 this volume surveys 150 law books of fundamental importance in the history of western legal literature and culture the entries are organized in three sections the first dealing with the transitional period of fifteenth century editions of medieval authorities the second spanning the early modern period
from the sixteenth to the eighteenth century and the third focusing on the nineteenth and twentieth centuries the contributors are scholars from all over the world each old book is analyzed by a recognized specialist in the specific field of interest individual entries give a short biography of the author and discuss the significance of the works in the time and setting of their publication and in their broader influence on the development of law worldwide introductory essays explore the development of western legal traditions especially the influence of the english common law and of roman and canon law on legal writers and the borrowings and interaction between them the book goes beyond the study of institutions and traditions of individual countries to chart a broader perspective on the transmission of legal concepts across legal political and geographical boundaries examining the branches of this genealogical tree of books makes clear their pervasive influence on modern legal systems including attempts at rationalizing custom or creating new hybrid systems by transplanting western legal concepts into other jurisdictions

The Formation and Transmission of Western Legal Culture

2016-12-01 law books in action essays on the anglo american legal treatise explores the history of the legal treatise in the common law world rather than looking at treatises as shortcuts from law in books to law in action the essays in this collection ask what treatises can tell us about what troubled legal professionals at a given time what motivated them to write what they did and what they hoped to achieve this book then is the first study of the legal treatise as a law book in action an active text produced by individuals with ideas about what they wanted the law to be not a mere stepping stone to codes and other forms of legal writing but a multifaceted genre of legal literature in its own right practical and fanciful dogmatic and ornamental in turn this book will be of interest to legal scholars lawyers and judges as well as to anyone else with a scholarly interest in law in general and legal history in particular
The Law of Attorneys, with Practical Directions in Actions and Proceedings by and Against Them. Also the Law of Costs, at Common Law, in Equity. Etc 1830 in this age of collections that is ours many volumes of collections are published they contain contributions of several well known authors and their aim is to present a selective overview of a relevant field of study this book has the same purpose its aim is to introduce students scholars and all those interested in current problems of legal theory and legal philosophy to the work of the leading scholars in this field the large number of publications both books and articles that have been produced over recent decades makes it quite difficult however for those who are making their first steps in this domain to find firm guidelines the book is new in its genre because of its method the choice was made not to reprint an example of contributors earlier basic articles or a part of one of their books this would only give a partial view of the rich texture of their work rather the authors were asked to make an original synthesis of their own contributions to the field of legal theory and legal philosophy brought together in this volume they constitute a truly author ised view of their work this book is also new in that each essay is complemented with bibliographical information in order to encourage further research on the author s self selected work this will help the reader rapidly to become familiar with the whole of the published work of the contributors

*Law Books in Action* 2012-04-02 this new anthology is the third in a series of law in literature collections and is intended as a companion and supplement to law in literature legal themes in short stories and law in literature legal themes in drama the eight works included in this anthology were chosen to illustrate important legal themes and to show the way in which the law forces individuals to confront existential dilemmas and the questing for right answers

*The Law in Philosophical Perspectives* 1999-06-30 excerpt from law in daily life a collection of legal questions connected with the
ordinary events of everyday life where questions are intended to be
answered purely from the point of view of roman law this is either
expressly stated or else the nature of the case will sufficiently
indicate it about the publisher forgotten books publishes hundreds
of thousands of rare and classic books find more at forgottenbooks.

*The Common Law* 2022-12-07 american law in the twentieth
century describes the explosion of law over the past century into
almost every aspect of american life since 1900 the center of legal
gravity in the united states has shifted from the state to the federal
government with the creation of agencies and programs ranging
from social security to the securities exchange commission to the
food and drug administration major demographic changes have
spurred legal developments in such areas as family law and
immigration law dramatic advances in technology have placed new
demands on the legal system in fields ranging from automobile
regulation to intellectual property throughout the book friedman
focuses on the social context of american law he explores the
extent to which transformations in the legal order have resulted
from the social upheavals of the twentieth century including two
world wars the great depression the civil rights movement and the
sexual revolution friedman also discusses the international context
of american law what has the american legal system drawn from
other countries and in an age of global dominance what impact has
the american legal system had abroad this engrossing book
chronicles a century of revolutionary change within a legal system
that has come to affect us all
Law in Literature 1996 the law governing family relationships has changed dramatically in the course of the 20th century and this book drawing extensively on both published and archival material and on legal as well as other sources gives an account of the processes and problems of reform

Law in Daily Life 2017-11-04 modern war is law pursued by other means once a bit player in military conflict law now shapes the institutional logistical and physical landscape of war at the same time law has become a political and ethical vocabulary for marking legitimate power and justifiable death as a result the battlespace is as legally regulated as the rest of modern life in of war and law david kennedy examines this important development retelling the history of modern war and statecraft as a tale of the changing role of law and the dramatic growth of law s power not only a restraint and an ethical yardstick law can also be a weapon a strategic partner a force multiplier and an excuse for terrifying violence kennedy focuses on what can go wrong when humanitarian and military planners speak the same legal language wrong for humanitarianism and wrong for warfare he argues that law has beaten ploughshares into swords while encouraging the bureaucratization of strategy and leadership a culture of rules has eroded the experience of personal decision making and responsibility among soldiers and statesmen alike kennedy urges those inside and outside the military who wish to reduce the ferocity of battle to understand the new roles and the limits of law only then will we be able to revitalize our responsibility for war

American Law in the Twentieth Century 2004-01-01 this work explores the situating of law and crime within the vast range and scope of contemporary media forms sheila brown shows how crime and the law or our understanding of them are produced reproduced disturbed and challenged in and through media culture

Family Law in the Twentieth Century 2003 the common law is a book that was written by oliver wendell holmes jr 21 years before
holmes became an associate justice of the supreme court of the united states the book is about common law in the united states including torts property contracts and crime it is written as a series of lectures one of the most famous aphorisms to be drawn from this book occurs on the first page the life of the law has not been logic it has been experience

Of War and Law 2009-01-10 law in literature legal themes in novellas brings together eight novellas which can be used to supplement and enhance the materials in law in literature legal themes in drama and law in literature legal themes in american stories 1842 1917 a companion volume to these three anthologies is law in literature an annotated bibliography of law related works the intended audience for all four of these books includes students of the law students of literature lawyers and others participating in the legal profession and the lay public the eight works included in this volume are billy budd sailor an inside narrative by herman melville benito cereno by herman melville the heroic slave by frederick douglass our nig or sketches from the life of a free black by harriet e wilson o pioneers by willa cather life in the iron mills by rebecca harding davis the avenger by thomas de quincey and the death of ivan ilyich by leo tolstoy

**Politics? Economy and Law in Developing Asia: A Reflection on Law and Development**

2022-10-15 law in the United States, second edition, is a concise presentation of the salient elements of the American legal system, designed mainly for jurists of civil law backgrounds. It focuses on features of American law likely to be least familiar to jurists from other legal traditions, such as American common law, the federal structure of the U.S. legal system, and the American constitutional tradition. The use of comparative law technique permits foreign jurists to appreciate the American legal system in comparison with legal systems with which they are already familiar. Chapters in the second edition also cover such topics as American civil justice, criminal law, jury trial, choice of laws, and international jurisdiction. The American legal profession and the influence of American law in the global legal order are discussed.

**The Practice at Law**

1872 one of the major questions facing the world today is the role of law in shaping identity and in balancing tradition with modernity in an arid corner of the Mediterranean region in the first decades of the twentieth century. Mandate Palestine was confronted with these challenges.

**Politics and Law in Africa**

2017 almost all junior barristers in civil practice are likely to encounter family law work in their first years of practice. Family law in practice provides a detailed introduction to the key areas of the substantive family law of which the junior
practitioner should have a good working knowledge key aspects of family law covered include domestic violence care proceedings and pre nuptial agreements adopting a highly pragmatic approach family law in practice encourages students to build on their existing basic practitioner skills and highlights how to approach writing opinions and drafting documents specific to family law it provides invaluable practical advice on how to prepare for different types of hearing what factors to consider in relation to negotiation how to make persuasive submissions and how to handle witnesses effectively ensuring that the junior practitioner is fully prepared for his or her first steps in the family courts

**A History of Law in Europe** 2017-08-03 this sourcebook fully exploits the rich legal material of the imperial period explaining the rights women held under roman law the restrictions to which they were subject and legal regulations on marriage divorce and widowhood

**Business Organizations Law in Focus** 2022-10-27 this carefully structured and approachably written text emphasises active learning and encourages discussion the first section provokes the student to examine how the law works and its role in society after a central section which introduces tort and contract in depth the third section challenges readers to solve legal problems in the key contexts of the marketplace employment the family and crime the substantial base of case and statute law is brightly and freshly presented emphasising the development of legal skills and the social context of law mothersole and ridley will kindle the interest of a new generation of students
