Evidence a concise comparison of the federal rules with the california code 2012 american casebook series (2023)

description coming soon description coming soon this book is designed to introduce students to the highlights of the first year curriculum at a u s law school the first chapter provides an overview of the u s legal system the seven chapters that follow focus on basic foundational subjects constitutional law civil procedure contracts torts property criminal procedure and criminal law each in a separate chapter although the first chapter consists entirely of articles and other commentary the other seven chapters consist mainly of edited court decisions all of the chapters contain notes and questions highlighting important issues for discussion and providing citations to cases articles and other materials for more in depth study the book is intended for several types of students first it is designed for international students who are attending a u s law school to pursue an ll m degree or an s j d degree this book gives such students the opportunity to take an intensive course on u s law thus enabling them to learn the fundamental concepts before taking upper division courses second this book is designed for international students who want to learn about u s law but who are not planning to attend a u s law school u s law professors can teach the course in foreign law schools using this text also foreign professors who have been trained at a u s law school can teach u s law at their home institutions third the book is designed for an undergraduate pre law course at a u s college or university fourth the book can be used at u s schools that train and certify paralegals all four types of students share a common desire to learn the basics of u s law in one course and all four types will benefit not only from the substantive materials but also from the experience of learning core subject areas description coming soon this text the only criminal law casebook authored by two progressive female law professors of color provides the reader with both critical race and critical feminist theory perspectives on criminal law while following a traditional format all of the usual subject areas are covered but the book is unique in highlighting the cultural context of substantive criminal law the book seamlessly integrates issues of race gender class and sexual orientation so the teacher who wishes to address such issues does not have to assign supplemental reading assignments in order to do so the book is also very student friendly providing a brief doctrinal overview of the subject matter at the beginning of each chapter this student friendly text the only criminal procedure casebook authored by two female law professors of color highlights social justice issues intertwined with the law of criminal procedure and integrates issues of race class gender and sexual orientation where relevant poses four clusters of world order problems that require students to identify and frame legal issues in factual context enables students to determine the relevance of information organize relevant law and policy test their analytical skills and develop a critical understanding of the possibilities of international law focuses on the current work of the international criminal tribunals for the former yugoslavia and rwanda comprises a series of hypothetical problems involving fictional countries in real world decision making settings organized around themes that conveniently cluster the principal challenges to the current world order description coming soon this long popular constitutional law casebook has added two new co authors for its newest 12th new edition michael dorf and frederick schauer who have brought deep background and rich insight in helping to bring the book thoroughly up to date in preparing the new edition the authors have retained the basic format of prior editions but have added new cases and re edited old ones to ensure coverage of important topics in manageable numbers of pages the notes and questions which have long been a hallmark of the book continue to present a wide range of perspectives for students to consider rather than reflecting a single point of view that users of the book must either adopt or teach against professors will especially like the illuminating and provocative extracts from the literature that accompany important new cases involving the affordable care act same sex marriage affirmative action and campaign finance and freedom of speech description coming soon this book introduces the history and nature of international law and examines its sources treaties customary international law general principles jus cogens and equity and the different forums in which it is interpreted and applied it also covers important fields of international law individual and human rights recognition and self determination war and peace and more it examines u s cases on the application of international law in the u s legal system the proliferation of international courts and tribunals the responsibility of states and international organizations and the international criminal court this comparative constitutional law casebook offers a comprehensive and paradigmatic approach to the subject it examines how the vast increase in international movements of people capital goods ideas and information affect politics in and beyond nation states and how this influx affects the rule of law separation of powers and fundamental rights indeed this casebook stands apart as it represents an
international collaboration of legal scholars and allows for diversity of perspectives utilizing case excerpts from at least 40 countries across every continent students will examine the assumptions choices and tradeoffs strategies and effects from decisions by constitutional courts and human rights tribunals throughout various legal systems and political contexts moreover this book examines the different theories of constitutionalism and analyzes how constitutional democracies address similar issues in different institutional settings this third edition includes new material that speaks to current issues of pressing importance citizenship transnational constitutionalism authoritarian and illiberal constitutions collective rights and minorities internet censorship religion in the public space mass surveillance and targeted killings both teachers and students will appreciate the complete coverage of complex topics within a manageable size and format a comprehensive teacher's manual accompanies the casebook this law school casebook is intended for use in a basic course on the substantive criminal law the major emphasis in this casebook is upon what is usually referred to as the general part of the criminal law mental state and act responsibility justification and excuse inchoate crimes and liability for the conduct of another there is also special emphasis upon the actual and potential contributions of the legislative branch in resolving the difficult policy questions that exist in this field this softcover book contains a complete unchanged reprint of chapters 1 10 and chapter 14 of dressler thomas and medwed's criminal procedure principles policies and perspectives eighth edition please see that description for more about the style and approach of the book this widely adopted soft cover casebook designed for a two or three unit course in the first amendment has been thoroughly revised tightened and updated the authors present the materials in a way that permits instructors to depart from the organization of the casebook with relative ease the authors also try to expose students to original perspectives or perspectives they might otherwise miss notes and questions enable students to study the variety of competing views embodying the first amendment as they emerge from concrete cases rather than imposing an abstract characterization and classification on the student at the outset of the study this book is designed to teach law students and information professionals the law and practices related to information management or what is increasingly referred to as the practice of information governance of necessity it covers a lot of ground from information contracts and information torts to government transparency and cybersecurity it is in effect an information law survey book but one that combines a discussion of applicable law with the practical and process orientation that is a hallmark of those involved in information governance hardbound new hardbound print book hardbound new hardbound print book this supplement brings the principal text current with recent developments in the law this concise casebook introduces students to basic family law doctrines in the context of moral and policy debates the 24 chapters discuss family law regulation of the formation continuation and dissolution of horizontal adult and vertical parent child family relationships each chapter includes cases statutes short notes and policy advisors these virtues have become especially important in light of the many changes to immigration and citizenship law since the eighth edition went to press in mid 2016 the ninth edition of this pathbreaking casebook continues its tradition of comprehensive coverage with problems and exercises that allow students to hone skills as counselors litigators and policy advisors the second edition has been updated to include cases and perspectives that reflect the continued evolution of family law doctrines practice and policy description coming soon this new edition opens with a reworked foundational chapter that guides students through the casebook in two key dimensions a basic framework for constitutional immigration law and an overview of the core administrative law principles that recently have risen to prominence in the making of immigration and citizenship law this ninth edition has thoroughly updated coverage of admissions categories unauthorized migrants admission procedures detention citizenship removability refugees and asylum federal enforcement and state and local measures the treatment of every topic is streamlined making for a slimmer volume in each chapter the ninth edition emphasizes both core and cutting edge issues while optimizing teachability for a wide variety of course settings hardbound new hardbound print book unlike most constitutional law books this book does not assume that the students have any particular knowledge of american history government or law so it begins with a rich introductory chapter to provide students with a necessary foundation for the rest of the material thereafter it supplements the familiar cases with historical context and pictures and biographies of current and famous justices adjacent to their opinions it makes the traditional canon accessible and enjoyable to the current generation easily covered over two semesters the book manages through careful case selection to avoid drastic editing of all but the longest cases the seventh edition of this popular casebook has fully integrated the supreme court's latest decisions stolt nielsen rent a center at t mobility granite rock sutter and the ground breaking ruling in bg group into the coverage the latest editions of the casebook boast a new organization that is more cohesive and better defines the issues of central importance to the u s and other laws of arbitration the volume also includes a revised chapter ten that contains materials on drafting arbitration agreements it can serve as a basis for a class workshop on drafting such agreements the book's content and approach reflect a continuing thorough assessment of the field the teaching materials are up to date and
comprehensively assess the landmark work of the supreme court in the area description coming soon hardbound new hardbound print book this casebook continues its traditional approach to the teaching of property law the opening chapter continues to include a section of cases designed to hone a student’s skill in close case analysis the materials in the first seven chapters have been reorganized and the notes updated as appropriate new cases have been added regarding rights of possessors organs as property and class gifts chapters 8 9 on servitudes and nuisance are updated with expanded coverage of the restatement third chapters 10 and 11 takings and zoning have been significantly revised in particular the takings chapter includes the supreme court’s kelo and lingle decisions including a detailed discussion of the angry aftermath to kelo in both congress and state legislatures as well as of state courts that have interpreted state constitutions to give greater protection than kelo does under the federal constitution the last three chapters which are devoted to real estate transfer issues remain largely intact with updating and the addition of one new principal case relating to rescission of a land sales contract this casebook continues its traditional approach to the teaching of property law the opening chapter continues to include a section of cases designed to hone a student’s skill in close case analysis the materials in the first seven chapters have been reorganized and the notes updated as appropriate new cases have been added regarding rights of possessors organs as property and class gifts chapters 8 9 on servitudes and nuisance are updated with expanded coverage of the restatement third chapters 10 and 11 takings and zoning have been significantly revised in particular the takings chapter includes the supreme court’s kelo and lingle decisions including a detailed discussion of the angry aftermath to kelo in both congress and state legislatures as well as of state courts that have interpreted state constitutions to give greater protection than kelo does under the federal constitution the last three chapters which are devoted to real estate transfer issues remain largely intact with updating and the addition of one new principal case relating to rescission of a land sales contract this soft cover book contains a complete unchanged reprint of chapters 1 10 and chapter 14 of dresser and thomas criminal procedure principles policies and perspectives fourth edition hardbound new hardbound print book this softcover book contains a complete unchanged reprint of chapter 1 and chapters 11 19 of dresser and thomas criminal procedure principles policies and perspectives fourth edition hardbound new hardbound print book description coming soon this supplement brings the principal text current with recent developments in the law the fifth edition is updated to take account of new developments in the law new regulations and new cases as well as the multiple and ongoing regulatory changes and reversals among the obama trump and biden administrations in addition the casebook has been modified throughout to call more attention to environmental justice issues chapter 1 rrca and cercla and chapter 4 clean air act now have expanded discussions of how environmental justice issues arise in the context of pollution control permitting chapter 2 nepa includes two of the standing rock sioux decisions about the dakota access pipeline in addition the introduction chapter has been revamped to more thoroughly introduce non statutory approaches to environmental law including constitutional and common law approaches to the public trust doctrine and a brand new section on the rights of nature movement emphasizing the environmental justice and indigenous rights ties to those movements before shifting to a discussion of why states and the federal government would choose statutes a theme continued at the beginning of chapter 1 the challenge of the fifth edition is the ongoing changes to environmental regulations in the opening year of the biden administration the fifth edition updates through june 2021 and points to resources for keeping track of new developments it discusses continuing regulatory issues such as climate change under the clean air act and waters of the united states under the clean water act in some detail emphasizing the issues in contention and explaining why the epa’s regulatory approach continues to evolve this law school casebook starts from the premise that cyberlaw is not simply a set of legal rules governing online interaction but a lens through which to reexamine general problems of policy jurisprudence and culture the book goes beyond simply plugging internet related cases into a series of doctrinal categories instead emphasizing conceptual issues that extend across the spectrum of cyberspace legal dilemmas while the book addresses all of the traditional subject matter areas of cyberlaw it asks readers to consider both how traditional legal doctrines can be applied to cyberspace conduct and how the special problems encountered in that application can teach us something about those traditional legal doctrines the fifth edition has been updated shortened and reconceived to make the book even more effective as a teaching tool and to illuminate new debates at the heart of this evolving field the book groups the material into units addressing the who how and what of governance regulation fundamental questions that pertain to any legal system in cyberspace or elsewhere the fifth edition also includes updated treatment throughout as well as a more streamlined approach that should make an already effective casebook even more unified and teachable

Leading Cases in Civil Procedure 2022-11-15 this long popular constitutional law casebook has added two new co authors for its newest 12th new edition michael dorf and frederick schauer who have brought deep background and rich insight in helping to bring the book thoroughly up to date in preparing the new edition the authors have retained the basic format of prior editions but have added new cases and re edited old ones to ensure coverage of important topics in manageable numbers of pages the notes and questions which have long been a hallmark of the book continue to present a wide range of perspectives for students to consider rather than reflecting a single point of view that users of the book must either adopt or teach against professors will especially like the illuminating and provocative extracts from the literature that accompany important new cases involving the affordable care act same sex marriage affirmative action and campaign finance and freedom of speech
Constitutional Law 2015 description coming soon
Criminal Procedure 2023-01-11 this book introduces the history and nature of international law and examines its sources treaties customary international law general principles jus cogens and equity and the different forums in which it is interpreted and applied it also covers important fields of international law individual and human rights recognition and self
determination of war and peace and more it examines U.S. cases on the application of international law in the U.S. legal system. The book examines the proliferation of international courts and tribunals, the responsibilities of states and international organizations, and the international criminal court.

*International Law* 2014 This comparative constitutional law casebook offers a comprehensive and paradigmatic approach to the subject. It examines how the vast increase in international movements of people, capital goods, ideas, and information affect politics in and beyond nation states and how this influx affects the rule of law, separation of powers, and fundamental rights. Indeed, this casebook stands apart as it represents an international collaboration of legal scholars and allows for diversity of perspectives utilizing case excerpts from at least 40 countries across every continent. Students will examine the assumptions, choices, and trade-offs strategies and effects from decisions by constitutional courts and human rights tribunals throughout various legal systems and political contexts. Moreover, this book examines the different theories of nationalism and constitutionalism and analyzes how constitutional democracies address similar issues in different institutional settings.

*Comparative Constitutionalism* 2016 This law school casebook is intended for use in a basic course on the substantive criminal law. The major emphasis in this casebook is upon what is usually referred to as the general part of the criminal law: mental state, act responsibility, justification, and excuse; inchoate crimes and liability for the conduct of another. There is also a special emphasis upon the actual and potential contributions of the legislative branch in resolving the difficult policy questions that exist in this field.

*Modern Criminal Law* 2006 This softcover book contains a complete unchanged reprint of chapters 1-10 and chapter 14 of Dressler, Thomas, and Medwed’s Criminal Procedure, Principles, and Perspectives. The authors present the materials in a way that permits instructors to depart from the organization of the casebook with relative ease. The authors also try to expose students to original perspectives or perspectives they might otherwise miss. Notes and questions enable students to study the variety of competing views embodying the first amendment as they emerge from concrete cases rather than imposing an abstract characterization and classification on the student at the outset of the study.

*The First Amendment* 2015 This book is designed to teach law students and information professionals the law and practices related to information management or what is increasingly referred to as the practice of information governance. It covers a lot of ground, from information contracts and information torts to government transparency and cybersecurity. It is in effect an information law survey book but one that combines a discussion of applicable law with the practical and process orientation that is a hallmark of those involved in information governance.

*Information Law, Governance, and Cybersecurity* 2019-08 hardbound new hardbound print book

*Complex Litigation* 2015 hardbound new hardbound print book

*Contemporary Criminal Law* 2018 This supplement brings the principal text current with recent developments in the law.

*Criminal Procedure, Principles, Policies and Perspectives, 5th, 2013 Supplement* 2013-07 This concise casebook introduces students to basic family law doctrines in the context of moral and policy debates. The 24 chapters discuss family law regulation of the formation, continuation, and dissolution of horizontal adult and vertical parent-child family relationships. Each chapter includes cases, statutes, short notes, emphasizing the variations among state laws, problems, and a review of multiple perspectives that have influenced the development of the relevant family law doctrines and policies. The second edition has been updated to include cases and perspectives that reflect the continued evolution of family law doctrines, practice, and policy.

*Family Law from Multiple Perspectives* 2019-04-08 description coming soon

*Choper, Dorf, Fallon, and Schauer’s Constitutional Law: Cases, Comments, and Questions, 13th - CasebookPlus* 2019-03-11 The ninth edition of this pathbreaking casebook continues its tradition of comprehensive coverage with problems and exercises that allow students to hone skills as counselors, litigators, and policy advisors. These virtues have become even more pronounced in the casebook's focus on evidence and the California Code 2012 American Casebook Series.
especially important in light of the many changes to immigration and citizenship law since the eighth edition went to press in mid 2016 this new edition opens with a reworked foundational chapter that guides students through the casebook in two key dimensions a basic framework for constitutional immigration law and an overview of the core administrative law principles that recently have risen to prominence in the making of immigration and citizenship law this ninth edition has thoroughly updated coverage of admissions categories unauthorized migrants admission procedures detention citizenship removability refugees and asylum federal enforcement and state and local measures the treatment of every topic is streamlined making for a slimmer volume in each chapter the ninth edition emphasizes both core and cutting edge issues while optimizing teachability for a wide variety of course settings
