The Heirs Of The Prophet Muhammad

2010-11-04

the prophet muhammad taught the word of god to the arabs within a generation of his death his followers as vivid a cast of heroic individuals as history has known had exploded out of arabia to confront the two great superpowers of the seventh century and establish islam and a new civilization that the protagonists originated from the small oasis communities of central arabia gives their adventures their rivalries their loves and their achievements an additional vivacity and
intimacy so that on one hand the heirs of the prophet muhammad is a swaggering saga of ambition immense achievement self sacrificing nobility and blood rivalry while on the other it allows us to understand some of the complexities of our modern world for within this fifty year span of conquest and empire building barnaby rogerson also identifies the seeds of discord that destroyed the unity of islam and traces the roots of the schism between sunni and shia muslims to the rivalry of the two individuals who best knew and loved the prophet his cousin and son in law ali and his wife aisha

The Heirs of Muhammad

2007-02-15

in this book the author recounts the lives of the handful of individuals the first four caliphs the prophet s widows and the conquering generals who led and influenced islam after the death of muhammad within this fifty year span of conquest and empire building the author identifies the seeds of discord and civil war that destroyed the unity of islam and traces the roots of the schism between sunni and shia muslims to the rivalry of the two people who best knew and loved the prophet his cousin and son in law ali and his wife aisha dust jacket

The Prophet Muhammad

2019-01-22

ignorance about islam runs deep in the west ignorance of its rites its beliefs and above all its prophet who was muhammad the founder of islam and the man muslims believe was god s last prophet on earth in this concise and colorful account the acclaimed writer and broadcaster barnaby rogerson tells the story of the illiterate orphan who was raised in the desert and trained as a merchant on the camel trade routes that criss crossed arabia before defying his tribe to found a new religion establish a world language and create an almost unstoppable force that only 100 years after his death has conquered an empire stretching from the pyrenees to the hindu kush it was when he was 40 that muhammad experienced his first revelation on a mountainside outside mecca hearing the divine order recite from then until his flight from mecca his tale is one of rejection and persecution but it is also one of puzzling contradictions why did he order the murder of a jewish tribe and why did he marry 10 times himself while restricting muslims to four wives barnaby rogerson examines his puzzling life and how it has laid the foundation for a clash of civilisations between the muslim and christian worlds

The Prophet Muhammad
ignorance about islam runs deep in the west ignorance of its rites its beliefs and above all its prophet who was muhammad the founder of islam and the man muslims believe was god's last prophet on earth in this concise and colorful account the acclaimed writer and broadcaster barnaby rogerson tells the story of the illiterate orphan who was raised in the desert and trained as a merchant on the camel trade routes that criss crossed arabia before defying his tribe to found a new religion establish a world language and create an almost unstoppable force that only 100 years after his death has conquered an empire stretching from the pyrenees to the hindu kush

Meetings with Remarkable Muslims

this book is a collection of personal reminiscences of friendships and chance encounters which have left an indelible mark on the author throwing a bridge across the divide it shows how immeasurably richer our lives are for sharing and understanding different cultural traditions what a source of inspiration they can be this diverse collection of writers draws together a world which stretches from morocco in the west to india in the east what shines through is a common humanity shared by both writers and subjects a need to earn to love to protect to enjoy and to make sense of life back cover

North Africa

updated to cover recent events in libya and elsewhere in north africa this guide to the history and culture of morocco tunisia libya and algeria covers the region from its earliest beginnings to life today north africa is surrounded by the mediterranean the atlantic and to the south the sands of the sahara it has seen waves of invasion from the carthaginians to the french in the 20th century its peoples have assimilated what suits them and remained aloof to what does not onto this complex background barnaby rogerson weaves a cast of memorable characters from dido to hannibal and st augustine alongside local heroes such as the berber queen kahina and the horseback muslim conqueror oqba ibn nafi north africa includes a chronology of major events a historical gazetteer cross referenced to the main text and historical maps author barnaby rogerson first began to explore north africa at the age of 16 and regularly conducts lecture tours through the area he read history at st andrew's university and has written several books on the area including the aa essential guides he is the co owner of eland books which he runs with his wife in north london he lives in london

his campaigns military thought and insurgent strategy there are many biographies of the prophet and they tend to fall into three categories pious works that emphasize the virtues of the early islamic community general works for non muslim or non specialist readers and source critical works that grapple with historiographical problems inherent in early islamic history in the generalship of muhammad russ rodgers charts a new path by merging original sources with the latest in military theory to examine muhammad s military strengths and weaknesses incorporating military political and economic analyses rodgers focuses on muhammad s use of insurgency warfare in seventh century arabia to gain control of key cities such as medina seeking to understand the operational aspects of these world changing battles he provides battlefield maps and explores the supply and logistic problems that would have plagued any military leader at the time rodgers explains how muhammad organized his forces and gradually built his movement against sporadic resistance from his foes he draws from the hadith literature to shed new light on the nature of the campaigns he examines the prophet s intelligence network and the employment of what would today be called special operations forces and he considers the possibility that muhammad received outside support to build and maintain his movement as a means to interdict trade routes between the byzantine empire and the sasanid persians

Desert Air

2007

the first in a series of pocket sized poetry books for travelers and poetry lovers who seek inspiration while on the go here is the poetry of london from zephaniah wordsworth keats milton blake eliot shakespeare betjemen and many more
what is the overarching meaning of the world's religions textbooks relay what the religions believe and leave it at that but the more puzzling questions which of them is true how do all viewpoints fit together or challenge one another are left unaddressed like an unfinished puzzle the myriad religions present themselves to us as countless pieces but their relationship to each other and ultimate importance escape us can the religions of the world really agree on anything or fit into a common narrative or singular image this work argues that despite the disagreements and contradictions among world religions a universal message can be found by studying them with care it offers a comprehensive examination of religions and their meaning uniquely bound by the hope and affirmation that in some way they are universally connected it affirms a universalism by wisdom which contends that a moral and spiritual wisdom can be found in many of the world's religions understood and interpreted properly religions can help all people lead good and meaningful lives

combining key titles from both oxford's very short introductions and oxford world's classics series this collection includes an assortment of books that will enlighten your understanding of islam containing a very short introduction to the koran islamic history and islam plus one of the bestselling versions of the quran these books provide insight into the religious historical and political ideas surrounding the world of islam oxford's very short introductions series offers concise and original introductions to a wide range of subjects from islam to sociology politics to classics literary theory to history and archaeology to the bible not simply a textbook of definitions each volume in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field

bruce wannell was a true original remembered here with affection humour and wonder by seventy writers including such friends as kevin rushby lisa chaney tim mackintosh smith tahir shah and william dalrymple bruce wannell was the greatest orientalist traveller of his generation a paddy leigh fermor of the east a kim for our own time he lived in iran through the 1979 revolution worked for a decade in the north west frontier during the wars in afghanistan and could transcribe
the most complex arabic calligraphy by sight although he lived in the lands of islam he also knew all the artistic treasures of christendom his curious combination of talents scholar linguist musician translator and teacher were duplicated by an international network of friendships with poets spies aid workers diplomats artists and writers speaking iranian and afghan persian with a dazzling poetic fluency he could also talk in arabic pushtu urdu swahili and could lecture fluently in french italian english or german in the last fifteen years of his life he lived for a third of the year in delhi with william dalrymple hunting down unpublished mughal histories and providing the author with translations of historical documents it was an extraordinarily successful double act which produced four revisionist south asian histories that were also international best sellers the rest of the year was balanced by other travels working as a dragoman guide or pursuing his own esoteric researches based in the modest footprint of a tiny attic in york triple lined with books it was worthy of a medieval wandering scholar or a bare footed dervish bruce had a number of identities which gives this collection of original essays from trusted friends and old colleagues a dazzling diversity they give a fascinating insight into a remarkable and diverse life he was a man who could quote hafiz from memory rustle up a lethal cocktail lose himself in brahms open any door organise a concert within days of arriving in a foreign city or walk across a mountain with just walnuts and dried mulberries in his pocket

Tales from the Life of Bruce Wannell

2020-10

this book explores how the figure of the prophet muhammad was misrepresented in english and wider christian culture between 1480 and 1735 by tracing the ways in which mahomet was written and rewritten contested and celebrated this study explores notions of identity and religion and the resonances of this history today

Muhammad: All That Matters
this cool clear sighted comparative study has no theological axe to grind it offers a trusty thematic guide to the figureheads of three of the largest religions in the world the comparative approach is descriptive and even handed highlighting both similarities and differences across a range of major areas the thematic chapters cover early life followers the core message political attitudes relations with women and death the engaging writing and descriptive approach make this an ideal text for students instructors and general readers

Muhammad: All That Matters Video eBook (Enhanced Edition)

given the prophet muhammad s immense impact on history surprisingly few books specifically analyze his understanding and employment of warfare as an economically politically and socially transformational process even though he was continuously at war for a decade and initiated around eighty armed missions twenty seven of which he led himself most islamic biographies deal with this issue by using an understandable but insufficient logic that because muhammad as the messenger of allah was the ideal and paradigmatic human he must have been an ideal and paradigmatic military commander his successes flowed from his prophetic status and his moral perfection following this logic and wanting muhammad s behavior to conform to very modern ethical concepts and widespread but not necessarily accurate beliefs about the nature and conduct of war the writers have inadvertently created a narrative which in significant ways departs from the account clearly and consistently revealed in the earliest extant arabic sources the writers narrative also removes the prophet from his historical and cultural context and the realities of the harsh and competitive tribal society in which he lived professor joel hayward sees this as an unhelpful explanatory tendency and believes that the modern depiction of the prophet s relationship with warfare which presents him as being rather antipathetic to war indeed as virtually a pacifist who only fought reluctantly in self defense cannot actually be sustained by an even handed analysis of the early islamic sources a committed muslim himself hayward agrees that muhammad was a moral and decent man who saw peace as a highly desirable state in which humans should live and as a goal worth pursuing yet hayward has approached the prophet s understanding and employment of warfare from a different vantage point he has painstakingly scrutinized the earliest arabic sources impartially according to the strict standards of historical inquiry in order to ascertain whether muhammad s actions habits and methods can when understood within their original seventh century stateless arabian context provide any substantial and meaningful insights into the way that he understood and undertook warfare hayward concludes that muhammad was an astute situationally aware and self reflective man who created and communicated a believable strategic vision of a necessary and desirable future that vision persuaded increasing numbers of people to follow him and risk everything willingly in the struggle to create the optimal conditions for their survival security and prosperity in a competitive and conflictual environment with ubiquitous threats warfare was necessary to make real the bold new world that he foresaw through original meticulously researched and rigorous analysis hayward covers all the raids and campaigns and demonstrates that muhammad correctly understood the necessity and utility of force and duly developed into an intuitive effective and victorious military practitioner who developed and enforced a strict moral code so as to attain his goals whilst safeguarding the innocent this engaging accessible yet deeply scholarly book makes a major contribution to strategic and military analysis and to the prophet s biography
muslims believe that the koran is god s message in arabic revealed through the medium of the prophet muhammad for the guidance of the arabs and subsequently for all humanity there is both unity and variety in the islamic world muslims are not a homogeneous people who can be explained solely by their normative texts the koran and the sunnah muslims differ vastly in their interpretation of islam modernists want to reinterpret islam to adapt to the requirements of modern times while traditionalists tend to look to the classical and medieval periods of islam as their model of the islamic state this third edition of historical dictionary of islam contains a chronology an introduction appendixes and an extensive bibliography the dictionary section has over 700 cross referenced entries on major sects schools of theology and jurisprudence as well as aspects of islamic culture this book is an excellent resource for students researchers and anyone wanting to know more about islam

Buddha, Jesus and Muhammad

this book provides reliable information about important world religious leaders correcting the misinformation that can be on the internet religious leaders have shaped the course of history and deeply affected the lives of many individuals this book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world scholars from around the world each one an expert in his or her field and all holding advanced degrees came together to create an essential resource for students and for those with an interest in religion and its history every entry has been carefully edited in a two stage review process guaranteeing accuracy and readability throughout the work not strictly a biographical reference that recounts the facts of religious figures lives the book helps users understand how the selected figures changed history the entries are accompanied by excerpts of primary source documents and suggestions for further reading while the book closes with a bibliography of essential print and electronic resources for further research

The Warrior Prophet: Muhammad ? and War

2023-01-02
Islam today is a truly global faith yet it remains somewhat of an enigma to many of us each and every day our newspapers are saturated with references to Islam, Quran, Taliban, hijab, Fatwa, Allah, Sunni, jihad, Shia—the list goes on but how much do we really understand? Are we in fact misunderstanding? The Penguin Dictionary of Islam provides complete impartial answers. It includes extensive coverage of the historical formations of the worldwide Muslim community and highlights key modern Muslim figures and events. Understanding Islam is vital to understanding our world and this text is the definitive authority designed for both general and academic readers.

**Historical Dictionary of Islam**

2016-12-14

A collection of essays by some of the most accomplished scholars in the field exploring the life and legacy of the prophet.

**The World's Greatest Religious Leaders [2 volumes]**

2018-03-01

The extraordinary life of the man who founded Islam and the world he inhabited and remade. Lesley Hazleton’s new book Agnostic—a spirited manifesto—is out now from Riverhead Books. Muhammad’s was a life of almost unparalleled historical importance, yet for all the iconic power of his name, the intensely dramatic story of the prophet of Islam is not well known. In The First Muslim—Hazleton brings him vibrantly to life drawing on early eyewitness sources and on history, politics, religion, and psychology. She renders him as a man in full in all his complexity and vitality. Hazleton’s account follows the arc of Muhammad’s rise from powerlessness to power, from anonymity to renown, from insignificance to lasting significance. How did a child shunted to the margins end up revolutionizing his world? How did a merchant come to challenge the established order with a new vision of social justice? How did the pariah hounded out of Mecca turn exile into a new and victorious beginning? How did the outsider become the ultimate insider? Impeccably researched and thrillingly readable, Hazleton’s narrative creates vivid insight into a man navigating between idealism and pragmatism, faith and politics, nonviolence and violence, rejection and acclaim. The First Muslim illuminates not only an immensely significant figure but his lastingly relevant legacy.

**The Penguin Dictionary of Islam**
without seeking to lecture readers she attempts to show not only the interrelation between politics and economics religion often playing a significant part in both but in terms of the paradisiacal bliss material abundance for the west and rapture expected in the hereafter by islam to demonstrate such interconnection between the two cultures these are the genre of the book its contents consist of two parts while part i treats of islam as such both from the historical and contemporary point of view the theme of part ii is the present day economy dominated by aggressive capitalism and the impact they have each had on the global scale although often critical in cases she deems deserving criticism she nevertheless aims to show that there is most of the time nothing purely black or exclusively white indeed being impartial as well as objective if that is humanly possible is a standard she goes by dealing with due seriousness as she does with a score of subtopics directly or indirectly related to the mentioned two themes she also so as to lighten the narrative interjects here and there humor into it in the final part the epilog she expresses hope that mankind may in the end find a solution to its sky high problems.
