agenda building upon the themes covered in the book india pakistan trade strengthening economic relations
published by springer in 2014 and discusses the steps that must be undertaken in order to move the bilateral
engagement forward given the commencement of bilateral state level talks and the indian government's
emphasis on south asian integration it adds impetus to the trade liberalisation process while also providing
essential recommendations for policymakers in both countries the unfinished agenda faces obstacles such as the
list of items for which export from india to pakistan continues to be restricted lack of land borders and seamless
cross border transport services which hampers the realisation of trade potential negative reporting in the media
which influences traders perceptions and the continued occurrence of informal trade resulting from inadequacies
of formal trade relations the book examines various sectors including the agricultural textiles automotive and
pharmaceutical industries given their predominance on the list of restricted items for bilateral trade it also covers
studies on unconventional and under researched themes concerning informal trade informational barriers to india
pakistan trade and opening new land borders for trade all of which can play a facilitating role in realizing the
untapped trade potential between india and pakistan the book also includes the second round of the india
pakistan trade perception survey which identifies impediments to india pakistan bilateral trade and assesses the
change in traders perceptions since the first round of the survey which was published in 2014 contemporary

The automotive industry underwent great change in the 1960s and the early 1970s. The continuing trend toward market consolidation, the proliferation of sizes and nameplates, and the need for speed characterized this period. Loosely labeled as the muscle car era, this is an exhaustive reference work on American made cars of model years 1960–1972. Organized by year and summarizing the market annually, it provides a yearly update on each make's status and production figures. Then details all models offered for that year. Model listings include available body styles, base prices, engine and transmission choices, power ratings, standard equipment, major options, and their...
