Library of Congress Subject Headings 2009. Sid Richardson’s name is synonymous with fine arrangements for the church musician. He has arranged 14 hymn duets from gentle reverent songs to strong energetic songs, retaining the character of the hymns while enhancing them with appropriate additional rhythmic and harmonic interest. A bonus feature of the book is a patriotic medley for solo piano, which includes five favorite hymns of God and country titles. A morning has broken, Deep River, Onward Christian Soldiers, All Hail the Power, and many more.

Rhode Island Sheet Music Index 1991. This book presents music titles in which the organ is part of a chamber ensemble alphabetized by composer. Entries contain the bibliographical information for each title and a brief commentary or description as well as information on the level of difficulty, timing, mood, fingerings, pedalings, and other performance aids. The selections are suitable for concerts and religious services and are written in a variety of styles from baroque to contemporary. This catalogue will be of interest to church organists searching for a piece for organ and brass appropriate for easter visiting instrumentalists choosing music for a Sunday service, teachers introducing their organ students to the experience of accompanying a violin, and instrumentalists seeking a composition to play with the organ among many others. Library of Congress Subject Headings 1990. Mamie Smith’s 1920 recording of Crazy Blues is commonly thought to signify the beginning of commercial attention to blues music and culture, but by that year more than 450 other blues titles had already appeared in sheet music and on recordings. In this examination of early popular blues, Peter C. Muir traces the genre’s early history and the highly creative interplay between folk and popular forms. Focusing especially on the roles W.C. Handy played in both blues music and the music business, Long Lost Blues exposes for the first time the full scope and importance of early popular blues to mainstream American culture in the early twentieth century. Closely analyzing sheet music and other print sources that have previously gone unexamined, Muir revises our understanding of the evolution and sociology of blues at its inception.

Memoirs of Clara Bowe Complete with Photogalleries 1972. Dictionary Catalog of the Music Collection 2013-12-17. Paper edition of the 1990 Greenwood Press work which was initiated as a special issue of black music research journal but grew too big for that format. Ten essays address a variety of subjects connected with African American music of the 1920s, e.g., vocal concert music, musical theater, Duke Ellington, and the relationship of the music to literature and art. Includes an extensive bibliography of works composed during the period. Annotation copyright by Book News Inc., Portland or
