The Selfish Pig's Guide To Caring 2012-07-19

six million people in the UK often unnoticed by the rest of us provide unpaid care for disabled or elderly relatives friends or neighbours their job is long lonely and hard yet there is limited support and no formal training as a result carers suffer frequent damage to physical and mental health oddly though carers by definition are anything but selfish pigs they are liable to feelings of guilt probably brought on by fatigue and isolation so Hugh Marriott has written this book for them and also for the rest of us who don’t know what being a carer is all about his aim is bring into the open everything he wishes he’d been told when he first became a carer and he does the book airs such topics as sex thoughts of murder and dealing with the responses of friends and officials who fail to understand this is a must read for anyone involved with caring

Self-Care for Caregivers 2022-09-06

take care of yourself as you care for others with this accessible easy to follow self care guide to relax and rejuvenate it’s been said that there are only four kinds of people in the world those who have been caregivers those who are currently caregivers those who will become caregivers and those who will need caregivers chances are you or someone you know is taking care of a loved one at home if you do you also know that caregiving however fulfilling is also hard on the caregiver’s mental and physical health self care is vital to caregivers maintaining stamina and a positive outlook for both themselves and the people they care for but being so busy caring for others can make it hard to find time for yourself in self care for caregivers you’ll find short easy to read and often easy to do ways to replenish your mind body and spirit including practicing mindfulness by focusing in on your five senses remembering to halt to check if you’re hungry angry lonely or tired making a gratitude list of at least three things you’re grateful for and much more full of practical advice and reminders to have a quick snack call a friend create a sanctuary write in a journal and more ways to take care yourself plus resources for caregiving this book will go a long way towards making your caregiving experience a happier and more healthful one for you and the people you care for

The Selfish Pig's Guide to Caring 2003

over six million people in the UK provide unpaid care for disabled or elderly relatives friends or neighbours their job is long lonely and hard yet there is limited support and no formal training as a result carers suffer frequent damage to physical and mental health oddly though carers by definition are anything but selfish pigs they are liable to feelings of guilt probably brought on by fatigue and isolation so Hugh Marriott has written this book for them and also for the rest of us who don’t know what being a carer is all about back cover

The Essential Family Guide to Caring for Older People 2019-11-14

no one wants to think about getting older it’s true at any age when things are moving along normally day to day and everyone seems fit and well there seems no reason to think about future problems that your friends and relatives might and probably will come across as they age in fact it might even seem a little morbid to think such thoughts or possibly even tempting fate yet there will come a time when you must raise these issues and ideally this should be before any problems arise the essential family guide to caring for older people is the ultimate source of information and help for families with care responsibilities Deborah Stone draws on her extensive experience working in elder care to offer practical advice on every aspect of the field in depth topics range from how to get help immediately legal information care funding options a guide to useful technology and advice on the main physical and mental health issues that affect older people plus guidance is given on dealing with social services and ensuring you choose the right care for your situations crucially the book also offers help on how to cope as a carer with practical advice on juggling family work and your caring responsibilities while looking after yourself

When Caring Takes Courage - Alzheimer'S/Dementia 2016-01-29

Jim Miller teamed with hospice chaplain Susan Cutshall to create a book about how to be with others in a way that's compassionate, nurturing, healing, and potentially even transforming. The foundational ideas are laid out in 15 short chapters. There's only one place to begin with yourself: Healing Presence is most effective when it's least active. Whole pages of engaging quotations and artistic drawings are interwoven with insightful observations and practical suggestions ideal for both professional and lay caregivers.

The Art of Being a Healing Presence 2001-01

A practical discussion of the emotional challenges of caring for an aged or chronically ill loved one. Combines expert narrative with personal vignettes of four caregivers, helps readers deal with the reality of tragedy, understand the dramatic changes in life expectations, and accept the validity of their emotional responses. Chapters cover what it means to be a caregiver, physical and cognitive changes in the patient, the impact on one's beliefs and life expectations, developing healthy coping strategies. Appendices offer detailed descriptions of stroke, head injury, tumors, Parkinson's, and more.

Caring and Coping 2007

A practical exploration of what's possible when caring for someone living with dementia to help them live their best life in a way that makes sense to them.

The Dance of Caring 2016-04-04
