**Repeating and Multi-Fire Weapons** 2006 this book is based on the premise that it is difficult if not impossible to manage a modern business or public organization without at least some knowledge of the planning use control and benefits of information technology provided by publisher
Palm Sunday and Holy Week Services 2002 looking for worship material specifically tailored for holidays and other special out of the ordinary occasions if so then you ll draw on this compendium of services for fresh ideas throughout the year each of these 13 services actively involves the congregation through the singing of several hymns as well as scripture and dramatic readings that can be performed either with or without costumes because these flexible services can be presented with as few or as many participants as desired they are ideal for both large and small congregations many of these versatile pieces can even be used without a pastor so this is an excellent resource to have on hand for pastoral vacations or other occasions when the laity is in charge of worship best of all this collection couldn t be more convenient to use every service comes with brief instructions and a sample form for your worship bulletin services are included for new year s day valentine s day ash wednesday lent palm passion sunday maundy thursday good friday easter pentecost sunday trinity sunday reformation sunday all saints day thanksgiving christmas eve mary lu warstler is a pastor s wife who became a united methodist pastor herself serving congregations in akron and bucyrus ohio a graduate of the university of akron and the methodist theological school in ohio her sermons have appeared in pulpit digest and clergy journal warstler s css publications include angels we have heard and three for the third day

Report of the Secretary of the Senate 1923 the history of american firearms is inseparable from the history of the united states for firearms have played crucial roles in the nation s founding westward expansion and industrial economic and cultural development this history unfolds in compelling words and images in a legacy in arms a volume that draws upon the collections of the national cowboy western heritage museum in oklahoma city to trace the business and art of gun making from the early national period to the turn of the twentieth century with more than 200 images almost all in full color a legacy in arms not only documents the inspiration and innovation of arms makers from individual artisans to mass producers but also describes the development of decorative expression in the gun maker s art in an account
both entertaining and enlightening, Richard C. Rattenbury details the development of commercial arms making from the genesis of the Kentucky rifle to the arms of such iconic manufacturers as Colt, Remington, Smith Wesson, Sharps, Marlin, and Winchester. Into this narrative he weaves the particulars of design evolution and the impact of mass production via the American system. The accompanying photographs and illustrations stand as eloquent testimony to the range and richness of the gun maker's craft and its rightful place in the story of American industry and culture.
