I new york times bestselling author sylvia day america s premier author of provocative fiction delivers two novels from cosmo red hot reads from mills boon afterburn the realization that jax still affected me so strongly was a jagged pill to swallow he d only been part of my life for five short weeks two years ago but now he was back walking into a deal i d worked hard to close and god he was magnificent his eyes were a brown so dark they were nearly black thickly lashed they were relentless in their intensity had i really thought they were soft and warm there was nothing soft about jackson rutledge he was a hard and jaded man cut from a ruthless cloth in that moment i understood how badly i wanted to unravel the mystery of jax bad enough that i didn t mind how much it was going to cost me aftershock when it came to playing games my lover jax was a master strategist he pulled strings behind the closed doors of d c s most powerful political players and somehow still found time to nearly sideline my career what he didn t know was that when i didn t like the rules i threw them out and made my own i wasn t going to let jax get away with it i wasn t going to let him get away at all i loved jax enough that it was impossible to give up jax loved me enough that giving up was the only end he d consider he didn t think i could swim with the sharks it was entirely my pleasure to singsed me with the darkest of pleasures i couldn t stay away i didn t want to he was my addiction my every desire mine my past was as violent as his and i was just as broken we d never work it was too hard too painful except when it was perfect those moments when the driving hunger and desperate love were the most exquisite insanity we were bound by our need and our passion would take us beyond our limits to the sweetest sharpest edge of obsession entwined with you from the moment i first met gideon cross i recognized something in him that i needed something i couldn t resist i also saw the dangerous and damaged soul inside so much like my own i was drawn to it i needed him as surely as i needed my heart to beat no one knows how much he risked for me how much i d been threatened or just how dark and desperate the shadow of our pasts would become entwined by our secrets we tried to defy the odds we made our own rules and surrendered completely to the exquisite power of possession captivated by you gideon calls me his angel but he s the miracle in my life my gorgeous wounded warrior so determined to slay my demons while refusing to face his own the vows we d exchanged should have bound us tighter than blood and flesh instead they opened old wounds exposed pain and insecurities and lured bitter enemies out of the shadows i felt him slipping from my grasp my greatest fears becoming my reality my love tested in ways i wasn t sure i was strong enough to bear at the brightest time in our lives the darkness of his past encroached and threatened everything we d worked so
