**The Complete Topical Guide to the Bible** 2003-07-01

The complete topical guide to the bible provides scripture references, definitions, and cross references for the study of the bible by topic. The topical approach differs significantly from the lexical approach of a concordance, and a topical guide is an essential supplement to a concordance. While a concordance is limited to the connection of biblical passages in which the same word appears, the topical approach identifies and connects all of the underlying concepts related to a topic. A concordance would not yield John 3:16 for a study of grace because the word grace does not appear in the verse, but the complete topical guide to the bible includes John 3:16 for grace because it's an essential verse on the topic. The topics in this resource include biblical doctrinal and historical subjects and are organized into nine major categories: God, Jesus Christ, the Holy Spirit, Creation, Humanity, Sin, and Salvation. God's People, The Life of the Believer, and The Last Things. In addition to the great themes of the biblical message, practical issues of Christian living are also included.

**Knowing the Bible 101** 2017-11-14

With extensive biblical knowledge and a fresh contemporary perspective, Bruce Bickel and Stan Jantz provide an easy-to-understand approach to God's written message as they provide a user-friendly overview of the origin, themes, and context of the Bible. Pack in maps, references, learning aids, and useful details reveal God's love and plan of salvation for humankind. Encourage study with a personal three-month plan. This is a must-have resource for readers who have been planning to get serious about Bible study. Longtime believers, new Christians, Bible study leaders, and even seekers who want to read the Bible for the first time will find it a reliable guide to exploring the Bible written by a highly accomplished biblical scholar. Formerly titled Bruce Stan's Guide to the Bible.

**A Reader's Guide to the Bible** 2018-10-01

Approaching the Bible for the first time can be intimidating at sixty six books, nearly 800,000 words, and numerous kings, prophets, and deliverers. Where should you begin? In what order should you read it? Are there narratives here and over there but other things mixed between and is there an alternative to reading the Bible from Genesis to Revelation? A reader's guide to the Bible places the biblical books in their times and settings and then lays out a memorable pattern for understanding the Bible. The three categories of biblical books—story, word, and response—form three doors into the cathedral that is the Bible: the story of God and His people; the word of God to His people; and the people's response to God. Whether you are a person of Christian faith or another faith or no faith at all, this is a reliable guide to exploring the Bible written by a highly accomplished biblical scholar. A reader's guide to the Bible joins a clear and direct style with a maestro's touch.

**The Bible Guide** 2011

The Bible guide is a concise overview of all 66 books, providing a brief and concise overview of each book in the Bible. Included is a concise summary of each book's circumstances of writing, message, and purpose. A practical take away helps apply a principle from each book to everyday life. In addition, there are essays on the origin, transmission, and canonization of the Old and New Testaments, and each of the major divisions of the Bible. The concise format is economical in price and easy to understand. A fantastic and accessible resource for personal study or to give as a gift to a family member or friend.
Read the Bible for Life 2009-10-06 guthrie presents a layperson's guide to understanding how to read the bible in context so that its teachings are illuminated and can be fully applied to every facet of daily life
