this alternative guidebook for one of the world’s most popular tourist destinations explores all five boroughs to reveal a people’s New York City. The sites and stories of a people’s guide to New York City shift our perception of what defines New York, placing the passion, determination, defeats and victories of its people at the core delving into the histories of New York’s five boroughs, you will encounter enslaved Africans in revolt, women marching for equality, workers on strike, musicians and performers claiming streets for their art, and neighbors organizing against landfills and industrial toxins and in support of affordable housing and public schools. The streetscapes that emerge from these groups struggles bear the traces and this book shows you where to look to find them. New York City is a preeminent global city serving as the headquarters for hundreds of multinational firms and a world-renowned cultural hub for fashion, art, and music, it is among the most multicultural cities in the world and also one of the most segregated cities in the United States. The people that make this global city function are immigrants, people of color, and the working classes who reside largely in the so-called outer boroughs outside the corporations, neon, and skyscrapers of Manhattan. A people’s guide to New York City expands the scope and scale of traditional guidebooks, providing an equitable exploration of the diverse communities throughout the city. The stories of over 150 sites across the Bronx, Manhattan, Queens, Brooklyn, and Staten Island, as well as thematic tours and contemporary and archival photographs, a people’s New York emerges one in which collective struggles for justice and freedom have shaped the very landscape of the city.

Congratulations you made it to motherhood, the joys that come with a new baby often are accompanied by difficult moments too family adjustment, sleep deprivation, stress, and unrealistic expectations are all common experiences of a new mom these are trying but wonderful times in your new world with a baby getting support from moms who remember these issues and how to solve them can be hard to find let you made it to motherhood be your guide Jennifer and contributing moms tell the truth, becoming a new mom has many challenges but they also offer the help, hope, and advice to cope with these issues, new moms or moms to be will find reassurance and useful tips to adjust to this exciting transition to motherhood while enjoying their new babies at the same time.
