Ashes to Ashes

1999

Ashes to ashes read by Melissa Leo. A monster known as the cremator is killing prostitutes in Minneapolis parks and setting their bodies on fire when one of his victims turns out to be the daughter of a local billionaire and a homeless teenager claims to have witnessed the burning. It brings together former FBI agent Kate Conlan and the bureau's top serial killer profiler John Quinn. Conlan and Quinn share a painful personal history. Now they have to work together against a very smart lunatic who seems to be able to read their minds.

Ashes to Ashes

2018-10-23

26 year old Clarissa Williams has seen the ugly side of the rich and famous in a very literal sense. Having spent a significant number of years as a make up artist for celebrities, socialites and other glitterati, she has grown accustomed to their demands and idiosyncrasies. However, when one of her wealthy clients passes away, she does not expect to meet 34 year old Timothy Young, an impeccably handsome funeral director, whom she is drawn to and disturbed by at the same time. Can she love a man who dances with death on a daily basis and where will the journey take them if she surrenders her heart to him?

Ashes to Ashes

It's been two months since Perry Palomino and Dex Foray's relationship reached a new turning point. Two months since Perry started a new life in Seattle and two months since their experiment in terror show took on a new partner, ex wine babe Rebecca Sims, and found a new level of success. But whenever there is light in their lives, the madness still has a way of coming back in when the team is sent back to the stormy Oregon coast to investigate a haunted school. Perry wants to use the opportunity to reconnect with her family and reintroduce Dex into their
lives only perry s not the only one who s reaching out her grandmother pippa has started appearing to her with disturbing warnings and perry s presence at the school has ignited a chilling new wave of supernatural phenomenon once used a century ago as a sanatorium to house children dying of tuberculosis the school s past residents are slowly coming back to life and with one thing on their mind they want someone to play with someone to join them forever even when dead some children get whatever they want and they want perry

2009

what would you do if you found out that everything you have ever been told about your parents death was a lie
jasmine parker always believed that her parents died in a house fire that completely destroyed her childhood
home and tore her family apart her grandparents were left to raise two distraught young girls now after thirteen
years she is about to find out that there was far more to it after an anonymous note was delivered to her with four
little words it wasn t an accident confused and upset jasmine grapples with the note and the ramifications of what
it could mean it could all be a cruel joke but what if it wasn t what if someone murdered her parents and took
away her storybook life what would it mean and for what reason would they kill two innocent people in the
small town of avalon where everyone knows everything about each other it s difficult to keep secrets every
citizen becomes a suspect when jasmine seeks out answers about why her parents had to die at such young ages
and in such tragic circumstances but one of them is going to make sure that she doesn t solve any of the
questions ever teaming up with a local reporter she sets about uncovering clues and dead ends that only lead
down more dangerous paths it seems like her every move is being watched and blocked by an unknown
perpetrator but who could it be the former mayor that has been missing ever since that night the animal rights
activists who had a vendetta against her father or maybe it s closer to home what does her sister know that she
isn t telling what is her new boyfriend hiding with everything to lose and only peace of mind to gain jasmine
must decide whether the answers are worth trading her life for will she be their next victim or will she be able to
expose the murderer before it s too late

dominic blake spent his teen years being a punching bag for the school s leading athlete tristan jones that was
years ago he shut down his heart never letting anyone in only trauma and pain awaited anyone who made it past
his icy exterior with his wit and talent for electronics he rose through society to become a respected inventor he hadn’t heard or thought about his teenage tormentor since he graduated tristan jones had always been a top performer in any sport he attempted it didn’t matter what it was if it used muscles he excelled at it home life for him wasn’t all peaches and cream though he threw himself into sports in order to spend as little time as possible at home being around so many who expected him to be manly meant doing what they thought he should even if it meant giving the school nerd the beating of a lifetime when his teammates took it too far tristan left and never turned back what happens when tristan falls right into dominic’s world in the most unexpected way

Who knew another world was so close to this one fall into the realm of phoenixes and wraiths who guard the gates of the beyond ashes to ashes series volume one contains the first three books in this thrilling paranormal romance series heaven, hell and everything in between rhys took everything from her but aurelia needs him if she wants to live rock meet hard place in scattered ashes mena’s missed the last fifty years in prison and asher’s on the proverbial death row in falling ashes evan’s the queen and west will be her king if they can live that long in rising ashes living forever isn’t all it’s cracked up to be 700 pages start the thrilling series that readers just can’t put down about scattered ashes aurelia constantine is having a rough century plagued by visions of murder death and destruction she has resigned herself to the nightmare her life has become when an enemy from her past comes to her rescue she must let go of old wounds and heal the breach so she may survive the evil poisoning her mind rhys stevens is guilty murder betrayal treason take your pick he’s guilty of them all on the path of redemption he must beg for forgiveness from the one person he fought to save the woman he has always loved thrown together in the trenches of war they must work as a team to stop a monstrous puppet master from pulling their strings ashes ashes we all fall down get ready to burn about falling ashes mena constantine is pissed off finally freed from her fifty year imprisonment by a maniacal leader she is desperately trying to recover and get her life back problem is the life she had is long gone struggling under the weight of her memories and healing from the wounds of her captivity she can’t seem to catch a break every waking moment death seems like a relief she would welcome asher crane is a dead man as a guardian to the king his only purpose in life is to keep the king alive and he’s failing miserably with the king ill the queen dying and zero plans for a successor he’s pretty much screwed because if the king dies the law says asher dies too as these two wounded souls collide in a series of bloody and unfortunate events they will clutch to the last shreds of life before death beats down their door about rising ashes west carmichael is not my real name it is the name i pulled from thin air over five hundred
years ago I don't come from royalty. I come from the dregs of the ethereal. As the king's assassin, I have more blood on my hands than most. I don't deserve her. I don't deserve anyone, but I will keep her safe even if I die trying. Evangeline Black. My name sounds like the heroine of a historical romance novel, not that I read those or anything. My life so far: dead parents check. Broken heart check. Evil mistress of darkness. Hell bent on power and thirsty for my death. Big honking check. But this mess won't get cleaned up by itself. I've got a job to do. As these two reluctant hearts fight their pull, they must decide if they want to fall apart in the midst of the chaos swarming around them or yield to their hearts and rise.

A timeless and romantic ghost story that will haunt readers long after the last page is turned. When Callie's life is cut short by a tragic accident in her hometown of Charleston, South Carolina, her spirit travels to another dimension called the Prism. Here, she meets a striking and mysterious ghost named Thatcher who guides her as she learns how to bring peace to those she left behind. But Callie soon uncovers a dark secret about the spirit world: some souls are angry and they desperately want revenge. These souls are willing to do whatever it takes to stay on earth, threatening the existence of everyone she ever cared about. Perfect for fans of Gayle Forman's *If I Stay* and Lauren Oliver's *Before I Fall*, this thoughtful and suspenseful novel will have readers eager to read the sequel *Dust to Dust*.

**Scattered Ashes**

2015

To say I'm having a rough century would be a vast understatement. I'm on the run, plagued by visions of death and forced to rely on the man who killed my husband. Yeah, my life is just peachy. But when the truth shakes out, I find that maybe Rhys didn't ruin my life those many years ago. Maybe he saved it. Now it's my turn to save us both. Ashes, ashes we all fall down. Get ready to burn.

pulitzer prize winner no book before this one has rendered the story of cigarettes mankind s most common self destructive instrument and its most profitable consumer product with such sweep and enlivening detail a great battleship of a book formidable majestic the new york times book review here for the first time in a story full of the complexities and contradictions of human nature all the strands of the historical process financial social psychological medical political and legal are woven together in a riveting narrative the key characters are the top corporate executives public health investigators and antismoking activists who have clashed ever more stridently
as americans debate whether smoking should be closely regulated as a major health menace we see tobacco spread rapidly from its aboriginal sources in the new world 500 years ago as it becomes increasingly viewed by some as sinful and some as alluring and by government as a windfall source of tax revenue with the arrival of the cigarette in the late nineteenth century smoking changes from a luxury and occasional pastime to an everyday to some indispensable habit aided markedly by the exuberance of the tobacco huskers this free enterprise success saga grows shadowed from the middle of this century as science begins to understand the cigarette’s toxicity ironically the more detailed and persuasive the findings by medical investigators the more cigarette makers prosper by seeming to modify their product with filters and reduced dosages of tar and nicotine we see the tobacco manufacturers come under intensifying assault as a rogue industry for knowingly and callously plying their hazardous wares while insisting that the health charges against them a remain unproven and b are universally understood so smokers indulge at their own risk among the eye opening disclosures here outrageous pseudo scientific claims made for cigarettes throughout the 30s and 40s and the story of how the tobacco industry and the national cancer institute spent millions to develop a safer cigarette that was never brought to market dealing with an emotional subject that has generated more heat than light this book is a dispassionate tour de force that examines the nature of the companies culpability the complicity of society as a whole and the shaky moral ground claimed by smokers who are now demanding recompense

Ashes to Ashes, Dust to Side Chicks

2020-01-29

future historians will wonder why despite the risks society persisted in its warm relationship with the cigarette by the end of the century global consumption was still rising the 1995 symposium at the wellcome institute for the history of medicine not only examined tobacco s connection with health but the varied attitudes towards smoking which have included regarding it as manly relaxing fashionable and decadent a particular feature was a witness seminar attended not only by those who had made the initial discovery but by those with a crucial role in promoting public awareness of the dangers and as shown in this book we still cannot escape the paradox that while a considerable proportion of a country s population is hooked on the cigarette the tobacco industry and the government are equally addicted to the profits and tax revenues it generates
