Through discussion of culture, language, and diversity, public speaking in American English offers real-world advice about overcoming the most pressing relevant and stress-provoking speaking issues. This book, designed specifically for non-native English speakers, follows the traditional public speaking textbook format but also offers a sense of the larger community of non-native English speakers. It is infused with discussion about the relevant cultural and linguistic issues students are likely to face, as well as concrete suggestions on how to address, compensate for, or overcome these difficulties. Specific exercises and activities are included within the chapter and at the end of each chapter to allow students to work on their own or in a class to improve their skills set. Additionally, the writing style, though easy to read, challenges the non-native English speaker without frustrating the reader.
