strategy journeys starts from the premise that strategic planning suffers from a bad press it can be seen as complex technical remote from the day to day reality of an organisation undertaken by an elite specialist executive group producing threatening changes whose rationale is barely understood or perhaps worse still having no worthwhile impact at all for many senior executives strategic planning is too daunting a task which is why they often seek help from those with the expertise to guide the process they have a severe lack of confidence in their own ability to design plan and implement such an important and major project yet organisations have never had greater need for a flexible resilient and engaging approach to strategic planning than now how do those leading an organisation know where to start what approach to take and how to go about the process of strategic planning david booth aims to help them by demystifying the concept and propounding a first principles approach to developing a strategic plan within the context of the individual organisation and with the flexibility to adapt the process to focus on what really matters he suggests the key questions that should be asked when considering embarking on a strategic planning journey to help design and guide the process

Discover your story, learn how to tell it and watch God perform miracles in your life as you fall more in love with your Abba Father. God uses cracked pots and broken vessels to tell his story and they overcame by the power of the blood of the Lamb and the word of their testimony. Revelation 12:11 KJV: God doesn't waste anything or anyone. He takes the scars and pain of your life and turns you into the vessel of his glory. You were created to be nothing surprises God. He has a plan to redeem you, save you and let his light shine through you. Many Christians walk in bondage for failure to know and follow the Word of God. The Bible is Christ's Love Letter to you, an instruction book to guide you through all of life's difficulties. Who better to direct you through uncertain times than the one who knows of the best plans for your life? Yet Christ says his people are destroyed for lack of knowledge. God's Word rightly applied to the strongholds in your life can help you live the abundant life Christ died to give you and set the captives free. It is not just a matter of salvation but rather growth in Christ. The sanctification process that leads you to the rich and abundant life Christ died to give you what is your testimony? It isn't just your story of salvation, tell of your journey and how the Lord allowed the scriptures to come alive in your life. Tell of the living Jesus.
