the cultural unconscious of the Indian subcontinent in order to translate them into
critical tools for literary, political, cultural, and cognitive studies, inspired by Raymond
Williams' pioneering exploration of English culture and society through the study of
keywords. Keywords for India brings together more than 200 leading subcontinental
scholars to form a polyphonic collective. Their sustained engagement with an
incredibly diverse set of words enables a fearless interrogation of the panoply the
multitude, the shape shifter that is India, through its close investigation and
unpacking of words. This book investigates the various intellectual possibilities on
offer within the Indian subcontinent at the beginning of a fraught new millennium
desperately in need of fresh vocabularies. In this sense, Keywords for India presents
the world with many emancipatory memes from India. This book analyses
engagements with non-Shia practices of Muharram celebrations in the past and
present in South Asia and within a larger diaspora, breaking new ground by bringing
together a variety of regional perspectives, the Deccan, the Punjab, Singapore, South
Africa, and Trinidad and Tobago, and linguistic backgrounds—Bhojpuri, Gujarati, Marathi,
Punjabi, Tamil, Urdu. The chapters discuss the importance of Muharram celebrations in
terms of their respective actors, while in some cases these include an
interrelationship with Shia Muslims and their traditions of mourning during
Muharram. Other contributions address contexts in which Shias and even Muslims
form only a minor component of the celebrations or even none at all, focusing on
muḥarram celebrations that are beyond the script provided by shia muḥarram practices this book opens up new perspectives on muḥarram as a social practice widely shared by south asians across regions the book will be a key resource to scholars and students of south asian studies asian religion in particular rituals and religious practices and islamic studies but also engaging to non academic readers interested in the practices of several regions 1 magbook series deals with the preliminary examinations for civil series 2 it s a 2 in 1 series offers advantages of both magazine and book 3 the entire syllabus of indian polity and governance divided into 25 chapters 4 focuses on the topics and trends of question asked in previous years questions 5 offers chapterwise practice and well detailed explanations the previous years questions 6 more than 3000 mcqs for the revision of the topics 7 5 practice sets and 2 previous years solved papers sets for thorough practice 8 the book uses easy language for quick understanding preparing for the examinations like upsc state pcs or any other civil services papers students need to have a comprehensive complete and concrete knowledge about their subjects from the point of view exam arihant magbook series is a must for civil services pre examination state pcs other comprehensive examinations it s a 2 in 1 series that provides all the study material in concise and brief manner offering unique advantage of both magazines and books it comprehensively covers the syllabus of general studies portion of the upsc and state pcs preliminary examination the

one of the most talked about figures all around the world his enigmatic persona and
his forceful leadership have created a polarized world where some idolize him while
others question his motives and methods in an attempt to break the myths around
who narendra modi really is the author attempts to take us through a journey of the
leader s life his political aspirations his growth within the party his remarkable stint
in gujarat and his performance over the last two years in delhi the author identifies
the many formidable challenges modi faces as the leader of the world s largest
democracy that is in the midst of a complex transition and recommends measures
that modi must implement to deliver on his promises thereby enabling india to
realize its true potential what is the bhagavad gita is it just a religious text when
was it composed how relevant is it to the modern world this book answers these
foundational questions and more it critically examines the bhagavad gita in terms of

its liberal humanist and inclusive appeal bringing out its significance for both present times and novel applications the author elaborates the philosophy underlying the text as well as its ethical and spiritual implications he also responds to criticisms that have been levelled against the text by ambedkar d d kosambi and more recently amartya sen with additional material including chapter summaries of the bhagavad gita the second edition of the volume proposes new ways of utilising the text in diverse fields such as business and management and scientific research eclectic and accessible this work will be of interest to scholars of philosophy religion history business and management studies as well as the general reader many of you may think that it is all matter of past it happened then but it would not happen now have you also heard that history repeats itself do you believe in it have you studied history honestly enough have you had honest guides as your teachers and professors who systematically demonstrated to you whether history repeats itself or not post liberalisation india has witnessed a dramatic growth of the television industry as well as on screen images of the glitz and glamour of a vibrant shining india through a detailed ethnographic study of star news and star ananda involving interviews observations and content analysis this book explores the milieu of 24 hour private news channels in india today it offers insightful glimpses into the workings of one of the mightiest news corporations in the world and its ability to manufacture everyday reality for its audiences based on fieldwork in mumbai and 7/64
kolkata this study not only provides a detailed description of the television newsroom its rituals and rhythms but ventures beyond it to investigate how editorial and corporate strategies converge increasingly in an industry driven by profit through analysing how trps work to produce a non inclusive idea of the audience and examining hundreds of hours of news content the book explores how news channels construct a vision of nationhood and of a successful and vibrant economy that caters primarily to the needs of the resurgent indian middle class while it will be of particular interest to media and cultural studies scholars and students and to journalists and media professionals in general this lively engaging book also aims to give the general reader the wherewithal to analyse and critique the continuous barrage of 24 hour news television today for more than fifty years students and teachers have made the two volume resource sources of indian traditions their top pick for an accessible yet thorough introduction to indian and south asian civilizations volume 2 contains an essential selection of primary readings on the social intellectual and religious history of india from the decline of mughal rule in the eighteenth century to today it details the advent of the east india company british colonization the struggle for liberation the partition of 1947 and the creation of pakistan bangladesh and contemporary india this third edition now begins earlier than the first and second featuring a new chapter on eighteenth century intellectual and religious trends that set the stage for india s modern

book examines the development of chinese children s literature from the late qing
to early republican era it highlights the transnational flows of knowledge texts and
cultures during a time when children s literature in china and the west was
developing rapidly drawing from a rich archive of periodicals novels tracts primers
and textbooks the author analyzes how chinese children s literature published by
protestant missionaries and chinese educators in the late nineteenth and early
twentieth centuries presented varying notions of childhood in this period of
dramatic transition from the dynastic qing empire to the new republican china
young readers were offered different models of childhood some of which challenged
dominant confucian ideas of what it meant to be a child this volume sheds new light
on a little explored aspect of chinese literary history through its contributions to the
fields of children's literature book history missionary history and translation studies it enhances our understanding of the negotiations between chinese and western cultures that shaped the publication and reception of chinese texts for children best selling book in english edition for jharkhand prt primary teacher paper iii exam 2023 with objective type questions as per the latest syllabus compare your performance with other students using smart answer sheets in edugorilla's jharkhand prt primary teacher paper iii exam practice kit jharkhand prt primary teacher paper iii exam preparation kit comes with 10 practice tests with the best quality content increase your chances of selection by 16x jharkhand prt primary teacher paper iii exam prep kit comes with well structured and 100 detailed solutions for all the questions clear exam with good grades using thoroughly researched content by experts goyal brothers prakashan goyal brothers prakashan this book provides readers with a comprehensive and consistent treatment of trade policy in the higher education and media services sector across a range of asian economies goyal brothers prakashan best selling topic wise book for ssc general awareness exam with objective type questions as per the latest syllabus increase your chances of selection by 16x ssc general awareness notes book comes with well structured content chapter wise practice tests for your self evaluation clear exam with good grades using thoroughly researched content by experts wing commander retd shashikant oak of pune has a great contribution in bringing the naadi palm leaf based astrological system into

informa company marking a departure from studies on history and literature in colonial india the oppressive present explores the emergence of social consciousness as a result of and in response to the colonial mediation in the late nineteenth century in focusing on contemporary literature in hindi bengali gujarati and marathi it charts an epochal change in the gradual loss of the old pre colonial self and the configuration of a new colonized self it reveals that the oppressive present of generations of subjugated indians remains so for their freed descendants the consciousness of those colonized generations continues to characterize the modern educated indian the book proposes ambivalence rather than binary categories such as communalism and nationalism communalism and secularism modernity and tradition as key to understanding the making of this consciousness this cross disciplinary volume will prove essential to scholars and students of modern and contemporary indian history and society comparative literature and post colonial studies designed for undergraduate and graduate courses on indian civilization and history this text provides a sweeping look at the long and varied history of india and how this complex legacy has shaped and is shaping the nation's modern polity it offers unique political historical coverage of india from pre history into the 21st century drawing on solid ethnographic fieldwork as well as many hours of interviews leprosy and a life in south india journeys with a tamil brahmin tells the life story of das a tamil brahmin born in the newly post colonial india of the early
1950s after being diagnosed with leprosy das spent over a decade on the streets of bombay and madras learning to survive as an unofficial station porter hotel bellhop and sometimes tourist guide he won and lost fortunes on horses he gambled and he learned firsthand of the pleasures to be had in bombay s red light district but for all the joy that comes through so vividly in his account das s story unfolds against a backdrop of everyday violence and hardship re investigated through the prism of an individual life what are often presented as the rigid social categories of caste religion and kinship come to be seen in fresh new ways through this life history account leprosy in south india captures all this in ways conventional accounts do not offering a unique take on what it is to be an indian in contemporary india marathi is the official language of maharashtra state in india old marathi is the classical written form of the language as it appears in the abundant literature and inscriptions dating from around 1000 to 1350 b c e this dictionary the only one of its kind is based on all known inscriptions and literary sources from the old marathi period for each word it offers a transliteration an abbreviation indicating the grammatical category an indication of etymology where known the attested meaning with variants and a citation or citations illustrating the use of the word in old marathi sources an invaluable encyclopedia of hinduism hinduism is one of the world s oldest religions an amalgam of diverse beliefs and schools it originates in the vedas and is rooted in indian culture hinduism an alphabetical guide illuminates
complex philosophical concepts through lucid definitions a historical perspective and incisive analyses it examines various aspects of hinduism covering festivals and rituals gods and goddesses philosophers memorials aesthetics and sacred plants and animals the author also explores pivotal ideas including moksha karma dharma and samsara and details the diverse commentaries on the bhagavad gita and other important texts citing extensively from the regional languages the book describes hinduism’s innumerable myths and legends and looks at the many versions of texts including the ramayana and mahabharata placing each entry in its historical context and tracing its evolution to the present outlines all eighteen major puranas the 108 upanishads and a selection of vaishnava sahiva and tantric texts provides quotations from rare original texts a product of years of research with a wide range of entries inspired by egalitarian doctrines the dalit communities in india have been fighting for basic human and civic rights since the middle of the nineteenth century in this book shailaja paik focuses on the struggle of dalit women in one arena the realm of formal education and examines a range of interconnected social cultural and political questions what did education mean to women how did changes in women’s education affect their views of themselves and their domestic work public employment marriage sexuality and childbearing and rearing what does the dissonance between the rhetoric and practice of secular education tell us about the deeper historical entanglement with modernity as experienced by dalit communities.
Dalit women's education in modern India is a social and cultural history that challenges the triumphant narrative of modern secular education to analyse the constellation of social, economic, political, and historical circumstances that both opened and closed opportunities to many dalits by focusing on marginalised dalit women in modern Maharashtra who have rarely been at the centre of systematic historical enquiry. Paik breathes life into their ideas, expectations, potentials, fears, and frustrations addressing two major blind spots in the historiography of India and of the women's movement. She historicises dalit women's experiences and constructs them as historical agents. The book combines archival research with historical fieldwork and centres on themes including slum life, urban middle classes, social and sexual labour, and family marriage and children to provide a penetrating portrait of the actions and lives of dalit women elegantly conceived and convincingly argued. Dalit women's education in modern India will be invaluable to students of history, caste politics, women and gender studies, education studies, urban studies, and Asian studies.

sangharakshita’s lyrical descriptions evoke the kaleidoscope of the Indian landscape in delightful detail with candour; he relates his grittier encounters with royalty and religion, poverty and politics, corruption and ignorance. Western policymakers, political activists, and academics alike see patronage as the chief enemy of open democratic societies. Patronage for them is a corrupting force, a hallmark of failed and failing states, and the obverse of everything that good modern governance ought to be.

South Asia poses a frontal challenge for this consensus. Here, the world’s most populous, pluralist, and animated democracy is also a hotbed of corruption with persistently startling levels of inequality. Patronage as politics in South Asia confronts this paradox with calm erudition. Sixteen essays by anthropologists, historians, and political scientists show from a wide range of cultural and historical angles that in South Asia, patronage is no feudal residue or retrograde political pressure but a political form vital in its own right. This volume suggests that patronage is no foe to South Asia’s burgeoning democratic cultures but may in fact be their main driving force.

Who is responsible for the Mahatma’s death? Just one single but determined fanatic. The whole ideology of Hindu nationalism, the ruling Congress led government which failed to protect him or a vast majority of Indians and their descendants who considered Gandhi irrelevant. Such questions mean that Gandhi even after his tragic and brutal death continues to haunt India perhaps more effectively in his afterlife than when he was alive.

2024-01-18
Mahatma Gandhi is a groundbreaking and profound analysis of the assassination of the father of the nation and its after effects. Paranjape argues that such a catastrophic event during the very birth pangs of a new nation placed a huge burden of oedipal guilt on Indians and that this is the reason for the massive repression of the murder in India's political psyche. The enduring influence of Gandhi is analysed including his spectral presence in Indian cinema. The book culminates in Paranjape's reading of Gandhi's last six months in Delhi where from the very edge of the grave he wrought what was perhaps his greatest miracle—the saving of Delhi and thus of India itself from internecine bloodshed. This evocative and moving meditation into the meaning of the Mahatma's death will be relevant to scholars of Indian political and cultural history as well as those with an interest in Gandhi and contemporary India.

**Making News in India**

2014-03-14

post liberalisation India has witnessed a dramatic growth of the television industry as well as on screen images of the glitz and glamour of a vibrant shining India through a detailed ethnographic study of Star News and Star Ananda involving interviews, observations, and content analysis. This book explores the milieu of 24 hour private news channels in India today. It offers insightful glimpses into the workings of one of the mightiest news corporations in the world and its ability to manufacture everyday reality for its audiences based on fieldwork in Mumbai and Kolkata. This study not only provides a detailed description of the television newsroom, its rituals and rhythms, but ventures beyond it to investigate how editorial and corporate strategies converge increasingly in an industry driven by profit. Through analysing how TRPs work, the book explores how news channels construct a vision of nationhood and of a successful and vibrant
economy that caters primarily to the needs of the resurgent Indian middle class while it will be of particular interest to media and cultural studies scholars and students and to journalists and media professionals in general. This lively, engaging book also aims to give the general reader the wherewithal to analyse and critique the continuous barrage of 24 hour news television today.

**Sources of Indian Traditions**

2014-04-08

For more than fifty years, students and teachers have made the two-volume resource *Sources of Indian Traditions* their top pick for an accessible yet thorough introduction to Indian and South Asian civilizations. Volume 2 contains an essential selection of primary readings on the social, intellectual, and religious history of India from the decline of Mughal rule in the eighteenth century to today. It details the advent of the East India Company, British colonization, the struggle for liberation, the partition of 1947, and the creation of Pakistan, Bangladesh, and contemporary India. This third edition now begins earlier than the first and second, featuring a new chapter on eighteenth-century intellectual and religious trends that set the stage for India's modern development. The editors have added material on Gandhi and his reception.
both nationally and abroad and include different perspectives on and approaches to partition and its aftermath they expand their portrait of post 1947 india and pakistan and add perspectives on bangladesh the collection continues to be divided thematically with a section devoted to the drafting of the indian constitution the rise of nationalism the influence of western thought the conflict in kashmir nuclear proliferation minority religions secularism and the role of the indian political left a phenomenal text sources of indian traditions is more indispensable than ever for courses in philosophy religion literature and intellectual and cultural history

Children’s Literature and Transnational Knowledge in Modern China

2019-04-29

this book examines the development of chinese children s literature from the late qing to early republican era it highlights the transnational flows of knowledge texts and cultures during a time when children s literature in china and the west was developing rapidly drawing from a rich archive of periodicals novels tracts primers and textbooks the author analyzes how chinese children s literature published by protestant missionaries and chinese educators in the late nineteenth and early
twentieth centuries presented varying notions of childhood in this period of dramatic transition from the dynastic qing empire to the new republican china. young readers were offered different models of childhood some of which challenged dominant confucian ideas of what it meant to be a child. this volume sheds new light on a little explored aspect of chinese literary history through its contributions to the fields of children's literature, book history, missionary history, and translation studies. it enhances our understanding of the negotiations between chinese and western cultures that shaped the publication and reception of chinese texts for children.

The Oppressive Present

2014-12-18

marking a departure from studies on history and literature in colonial india the oppressive present explores the emergence of social consciousness as a result of and in response to the colonial mediation in the late nineteenth century in focusing on contemporary literature in hindi bengali gujarati and marathi it charts an epochal change in the gradual loss of the old pre colonial self and the configuration of a new colonized self it reveals that the oppressive present of generations of subjugated indians remains so for their freed descendants the consciousness of those colonized generations continues to characterize the modern educated indian the book proposes ambivalence rather than binary categories such as communalism and nationalism communalism and secularism modernity and tradition as key to
understanding the making of this consciousness this cross disciplinary volume will prove essential to scholars and students of modern and contemporary indian history and society comparative literature and post colonial studies

Leprosy and a Life in South India

2000

drawing on solid ethnographic fieldwork as well as many hours of interviews leprosy and a life in south india journeys with a tamil brahmin tells the life story of das a tamil brahmin born in the newly post colonial india of the early 1950s after being
diagnosed with leprosy Das spent over a decade on the streets of Bombay and Madras learning to survive as an unofficial station porter, hotel bellhop, and sometimes tourist guide. He won and lost fortunes on horses he gambled and learned firsthand of the pleasures to be had in Bombay’s red light district. But for all the joy that comes through so vividly in his account, Das’s story unfolds against a backdrop of everyday violence and hardship. Reinvestigated through the prism of an individual life, what are often presented as the rigid social categories of caste, religion, and kinship come to be seen in fresh new ways through this life history account. Leprosy in South India captures all this in ways conventional accounts do not, offering a unique take on what it is to be an Indian in contemporary India.

A Dictionary of Old Marathi

2014-04-18

Marathi is the official language of Maharashtra State in India. Old Marathi is the classical written form of the language as it appears in the abundant literature and inscriptions dating from around 1000 to 1350 B.C.E. **Dalit Women's Education in Modern India**

2020-08-18

inspired by egalitarian doctrines the dalit communities in india have been fighting for basic human and civic rights since the middle of the nineteenth century in this book shailaja paik focuses on the struggle of dalit women in one arena the realm of formal education and examines a range of interconnected social cultural and political questions what did education mean to women how did changes in women s education affect their views of themselves and their domestic work public employment marriage sexuality and childbearing and rearing what does the dissonance between the rhetoric and practice of secular education tell us about the deeper historical entanglement with modernity as experienced by dalit communities dalit women s education in modern india is a social and cultural history that challenges the triumphant narrative of modern secular education to analyse the constellation of social economic political and historical circumstances that both
opened and closed opportunities to many dalits by focusing on marginalised dalit women in modern maharashtra who have rarely been at the centre of systematic historical enquiry paik breathes life into their ideas expectations potentials fears and frustrations addressing two major blind spots in the historiography of india and of the women’s movement she historicises dalit women’s experiences and constructs them as historical agents the book combines archival research with historical fieldwork and centres on themes including slum life urban middle classes social and sexual labour and family marriage and children to provide a penetrating portrait of the actions and lives of dalit women elegantly conceived and convincingly argued dalit women’s education in modern india will be invaluable to students of history caste politics women and gender studies education studies urban studies and asian studies

When a letter from an Indian historian arrives out of the blue and informs leading academic Bart Moore Gilbert that his beloved deceased father, a member of the Indian police before independence, took part in the abuse of civilians, his world is shaken as cherished childhood memories are challenged. He sets out in search of the truth, discovering much about the end of empire, the state of India today, and whether his father as one of the many characters on his quest claims really was a...
terrorist crisscrossing western India and following leads from bustling Mumbai to remote rural locations Moore Gilbert pieces together the truth discovering that the story of his father's life links today's politics with the past's colonial India with its modern incarnation. Terrorism across the ages and father with son. The setting sun is at once an extraordinary meditative voyage across India a story of the dying days of an empire and a gripping family history.

Western policymakers, political activists, and academics alike see patronage as the chief enemy of open democratic societies. Patronage for them is a corrupting force, a hallmark of failed and failing states, and the obverse of everything that good modern governance ought to be. South Asia poses a frontal challenge for this consensus. Here, the world’s most populous pluralist and animated democracy is also a hotbed of corruption with persistently startling levels of inequality. Patronage as politics in South Asia confronts this paradox with calm erudition. Sixteen essays by anthropologists, historians, and political scientists show from a wide range of cultural and historical angles that in South Asia patronage is no feudal residue or retrograde political pressure, but a political form vital in its own right. This volume suggests that patronage is no foe to South Asia’s burgeoning democratic cultures but may in fact be their main driving force.

who is responsible for the mahatma's death just one single but determined fanatic
the whole ideology of hindu nationalism the ruling congress led government
which failed to protect him or a vast majority of indians and their descendants who
considered gandhi irrelevant such questions mean that gandhi even after his tragic
and brutal death continues to haunt india perhaps more effectively in his afterlife
than when he was alive the death and afterlife of mahatma gandhi is a
groundbreaking and profound analysis of the assassination of the father of the
nation and its after effects paranjape argues that such a catastrophic event during
the very birth pangs of a new nation placed a huge burden of oedipal guilt on
indians and that this is the reason for the massive repression of the murder in india
s political psyche the enduring influence of gandhi is analysed including his spectral
presence in indian cinema the book culminates in paranjape s reading of gandhi s
last six months in delhi where from the very edge of the grave he wrought what was
perhaps his greatest miracle the saving of delhi and thus of india itself from
internecine bloodshed this evocative and moving meditation into the meaning of
the mahatma s death will be relevant to scholars of indian political and cultural
history as well as those with an interest in gandhi and contemporary india
