This dynamic full-color text actively engages students in their exploration of Canadian law and its social, political, and global ramifications. Canadian and international law connects the historical roots of law to issues in contemporary society. Developed and tested by highly experienced teachers, subject specialists, and students for maximum classroom applicability, this text is sufficiently rigorous for University prep yet has been designed to meet the language and interests of Grade 12 students. This book should be essential reading for anyone beginning the study of law or for those considering application to law school.

Professor Hutchinson explores both the theoretical underpinnings of the Canadian legal system and the practical demands on law students today with humor and perceptiveness. His aim is to provide the reader with insights and tips on how to cope with the routines of law school life and succeed in becoming a good law student and an even better lawyer. As a basic orientation to law, the book is accessible, thought-provoking, and at times controversial. 

The law school book should be the first on the shelf of any aspiring lawyer. Order your copy today. Written from the perspective of someone with insider knowledge, this book provides insight into the way Canadian law firms recruit. It offers information on the different recruitment cycles in Canada, guidelines on the preparation of an effective resume and cover letter, strategies for successful interviewing, and tips on networking. Is a job in the legal profession right for you? What qualifications do you need to be attractive to employers? How do you find a job that fits your interests? Jobs in the Canadian legal marketplace guides you through all of these steps and more. It includes detailed information on a legal education and what is needed to enter the field, types of legal jobs and duties, and where to find them. How to create a professional portfolio and job application, interviewing, and landing your dream job.

Current trends in the Canadian legal marketplace make this book essential for law students, paralegals, and practicing lawyers navigating the Canadian legal profession. Whether you are researching the field or negotiating a salary, this practical guide provides step-by-step advice on all aspects of finding work in the Canadian legal system. Basic Canadian law in point form for beginners, students, candidates, an introduction. The author breaks down complex legal principles into simple, easy-to-read, and understand format. The aim is to equip those who are getting into law and legal education with a working knowledge of the law. For law and legal students, these principles and examples are enough to answer many questions that arise in law. The objective of contemporary Canadian business law is to inform and educate business law students who will need to identify when legal advice may be required and to apply the principles to situations commonly found in the contemporary business world.
their business lives the new ninth edition includes enhanced currency accuracy and readability of the material providing more effective flow as a result of the reorganization in parts 5 and 6 updates
