**Understanding IFRS Fundamentals**

The standards set by the international accounting standards board iasb are complex and sometimes obscure. Understanding their implications and applying them appropriately requires something special. That is why international gaap 2015 is the essential tool for anyone applying auditing, interpreting, regulating, studying, and teaching international financial reporting. It provides expert interpretation and practical guidance for busy professionals and includes in every chapter detailed analysis of how complex financial reporting problems can be resolved appropriately and effectively. The international financial reporting group of ernst young includes financial reporting specialists from throughout the world. Complex technical accounting issues are explained clearly in a practical working context that enables immediate understanding of the point at issue. International gaap 2015 is the only globally focused work on ifrss. It is not constrained by any individual country's legislation or financial reporting regulations and it ensures an international consistency of approach unavailable elsewhere. It shows how difficult practical issues should be approached in the complex global world of international financial reporting where ifrss have become the accepted financial reporting system in more than 100 countries. This integrated approach provides a unique level of authoritative material for anyone involved in preparing interpreting, or auditing company accounts for regulators, academic researchers, and for all students of accountancy. All aspects of the detailed requirements of ifrs are dealt with on a topic by topic basis. Each chapter of international gaap 2015 deals with a key area of ifrs and has a common structure for ease of use. An introduction to the background issues, an explanation of relevant principles, a clear exposition of the requirements of ifrs, a discussion of the implications in practice, and possible alternative solutions. Available worked examples extracts from real company accounts. A full listing of the required disclosures.
part to play in the process of promoting consistent comparable and high quality financial reporting under ifrss a book that not only provides an analysis of the requirements of the standards and the principles that they expound but also presents a unique explanation of how the standards should be interpreted and applied in practice the chairman of trustees of the iasc foundation a standard reference work financial times the definitive guide to financial reporting the times

International GAAP 2017 2010-12-28 contributions to international accounting aims to address a vital gap in research by focusing on providing relevant and timely studies on international financial reporting standards implementation for local and international policymakers

Wiley IFRS 2002 international financial reporting standards ifrs and the possibility of global accounting harmonization have recently gained enormously in importance both practically and from an academic and research perspective since 2005 european and australian listed enterprises are required to use ifrs for consolidated financial statements other countries from new zealand to china are actively moving towards these standards and now the ifrs board and the american regulatory system are publicly committed to a convergence programme this major work edited by two leading experts in the field is a timely appraisal of academic and regulatory work in relation to this whole process these important volumes bring together otherwise inaccessible early material which is vital to the understanding of the historical perspective both in terms of the current situation and of future developments international financial reporting standards provides a broad overview in addition to detailed coverage of this important and fascinating topic including a discussion of the processes of change and developments which have led from a widely disparate starting position to the current situation the four volumes are fully indexed and each includes an informative contextual introduction by the editors
