cuisine 16 page full color photo insert by a professional food stylist and photographer over 110 exciting
new classic and international recipes with dozens for dressings also available as an e book so you want
to publish books drawing on 23 years of experience operating an independent publishing company joe
Biel has written the most accessible and comprehensive guide to running a successful publishing business. You'll learn all the skills of the trade, including how to develop your individual books to connect with readers on a practical and emotional level. Choose between offset printed digitally printed and ebook formats and work effectively with printers. Build an authentic niche so you can reach your audience and sell books directly. Understand if and when you're ready to work with a distributor or large online retailer. Create a budget and predict the cost and income of each book so your company stays in the black. Decide what work you need to do yourself and what can be done by others. Plan for sustainable growth.

Featuring interviews with other upstart independent publishers and funny anecdotes from publishing's long history, this book is intended both for beginners looking for a realistic overview of the publishing or self-publishing process and for experienced publishers seeking a deeper understanding of accounting principles. Ways to bring their books to new audiences and how to advance their mission in a changing industry. All readers will come away with the confidence to move forward wisely and a strong sense of why publishing matters today more than ever.
